

Climate Action Plan 2.0 Update

Wednesday, June 17th, 2020

Agenda

- Mayor's CRO Ad Hoc Work Group Overview
- 12 Themes for CAP2.0 Revisions
- Community Ideas for Potential Action
- Community Engagement
- Next Steps

Review of Group Purpose

The purpose of the Mayor's Climate Recovery Ordinance Ad Hoc Work Group is to provide guidance on how to modify the Draft CAP2.0 and to provide input on additional actions to add to the plan to fully meet the CRO goals.

- The high-level topics, or themes, that should guide the document revision process
- Evaluation criteria for additional actions to add to the plan
- Additional actions to add to the CAP2.0 to achieve CRO goals, including some prioritization of the suggested additional actions
- CAP2.0 community engagement process moving forward

12. Resiliency

Community Ideas for Potential Actions

Community Vision Actions

Transportation

- TSP, Active Transportation, and Transit
- Compact Development
- Electric Vehicles
- Parking
- Reduce Delivery Trucks
- Airport and Air Travel

Building Energy

- Building Electrification
- Natural Gas
- Other Building Energy Actions

Fugitive Emissions

Consumption

- Food
- Concrete
- Plastics
- Reduce Consumption

Resiliency

Additional Actions

- Fossil Fuel
- Community Engagement
- Economic Development

Community Engagement

1. Reconvene the Equity Panel

Reconvene representatives from frontline communities to advise on CAP2.0 and CRO implementation

2. Citizen Advisory Committees

- Sustainability Commission
 - Sustainability Commission is the policy advisory group to City Council and the City Manager.
- Additional Citizen Advisory Groups that impact CRO implementation include:
 - Budget Committee
 - Planning Commission
 - Human Rights Commission
 - Active Transportation Committee,
 - Engage Eugene Technical Advisory Committee
 - Citizen Street Repair Review Panel
 - Neighborhood Associations

3. Individual, Household, and Neighborhood Action Campaign

The City will roll out a communications and behavior change campaign to encourage climate action at the individual, household, and neighborhood level in fall 2020.

The City will continue to convene and engage the Eugene Climate Collaborative to advance actions in the CAP2.0 and future climate action

5. Sustainability Business Engagement Strategy

The City will develop a business engagement strategy in partnership with the business community

6. Reporting and Accountability

CRO Annual Report

The annual report will include a qualitative progress report on the CAP2.0 and a summary of key initiatives and work areas for the year ahead. ***Fall timing.***

CAP2.0 Dashboard

Develop a dashboard to track key metrics (approximately 10) in the CAP2.0 to be updated annually. The goal of the dashboard is to provide easy access to key metrics that align with the actions in this plan in a format that's easily accessible to the community.

Greenhouse Gas Emissions Inventories

In alignment with the CRO, the City will update its internal and community-wide ghg inventories every two years.

CAP2.0 Next Steps

- Early July – Revised CAP2.0 released
- July 8 - City Council Work Session
- July 15 – City Council Work Session
- July 27 - City Council Work Session

Closing
