35. Nate- testified that he lived here unhoused and now is a business owner, gifted land away.
36. Seth Sadofsky- testified to make the zoning code clear and objective.
37. Matthew Yook- shared that funding needs to go towards addressing and not policing the issue.

Council Discussion

- Councilor Clark – asked what the mechanism is if the Planning Commission hears testimony on an issue before it goes to Council – does the Planning Commission hear the input that goes to Council before Council receives the information.
- Councilor Syrett – responded there is no budget being approved yet and the CSI is under consideration.
- Councilor Evans – shared there has not been a planning process for the Bethel neighborhood which is unacceptable, and Bethel needs the investment of the City.
- Councilor Semple – shared the activities that are happening on 7th St. are crimes not because they involve homelessness but involve criminals; stated illegal crime and horrific behavior have made the area like a war zone; expressed hope that all can work together for a solution.
- Councilor Groves – shared that it would be better to integrate all efforts to solve this unhoused problem; expressed hopefulness that the new plan is a start and we will be able to make progress.
- Mayor Vinis – thanked community and business members and recognized how hard the problem is; shared the 1059 Willamette project receives CDBG funds and 50% of the housing is required to be affordable housing.

4. PUBLIC HEARING and ACTION: An Ordinance Adopting Hazardous Substance User Fees and Providing for An Immediate Effective Date

City Manager Sarah Medary introduced the topic and gave background information.

The Public Hearing opened at 9:40 p.m. and there were no participants; closed at 9:42 p.m.

Council Discussion

- Councilor Groves – asked if the Right To Know program has gotten any closer to the state requirements, and asked if there is a way to align these to streamline the process to eliminate some fees being charged to businesses; stated he would like to see some of the redundancy removed.
- Councilor Keating – commented the state-imposed tax fee cap has not changed since 2004 and is capped at \$2,000 per entity; asked why the fee structure has not changed in the past 15 years; asked if the names of non-compliant entities can be published on the internet.

MOTION AND VOTE: Councilor Yeh, seconded by Councilor Syrett, moved to adopt an Ordinance Adopting Hazardous Substance User Fees and Providing for an Immediate Effective Date. **PASSED 7:1**, Councilor Clark opposed.

5. ACTION: An Ordinance Amending the Eugene-Springfield Metropolitan Area General Plan Diagram to Redesignate the Property Identified as Assessor's map 17-04-26-00, Tax Lots 2801, 4303 and 4304 and Assessor's Map 17-04-26-43, Tax Lot 302 from heavy Industrial to Light Medium Industrial and Rezone the property from I-3 Heavy Industrial to I-2 Light-Medium Industrial

City Manager Sarah Medary introduced the topic and gave background information.

Council Discussion

- Councilor Keating – asked if environmental impacts can be included in proposals.

MOTION AND VOTE: Councilor Yeh, seconded by Councilor Syrett, moved to adopt the Ordinance, included as Attachment C to this AIS, amending the Eugene-Springfield Metropolitan Area General Plan Diagram to redesignate the property identified as Assessor's Map 17-04-26-00, Tax Lots 2801, 4303 and 4304 and Assessor's Map 17-04-26-43, Tax Lot 302 from Heavy Industrial to Light Medium Industrial and rezone the property from I-3 Heavy Industrial to I-2 Light-Medium Industrial. **PASSED 8:0**

6. ACTION: An Ordinance Concerning Clear and Objective Approval Criteria for Housing; Amending Sections 9.0500, 9.2181, 9.2471, 9.2520, 9.2687, 9.2751, 9.2761, 9.3216, 9.3221, 9.3626, 9.3725, 9.4830, 9.5750, 9.6010, 9.6710, 9.6810, 9.6815, 9.6820, 9.6845, 9.6865, 9.6885, 9.7007, 9.8030, 9.8045, 9.8055, 9.8085, 9.8090, 9.8100, 9.8105, 9.8205, 9.8210, 9.8215, 9.8220, 9.8310, 9.8320, 9.8325, 9.8360, 9.8365, 9.8440, 9.8445, 9.8505, 9.8510, 9.8515, and 9.8520 of the Eugene Code, 1971; Adding Section 9.5860 to That Code; And Providing An Effective Date (City File CA 20-4)

City Manager Sarah Medary introduced the topic and gave background information.

MOTION: Councilor Yeh, seconded by Councilor Syrett, moved to adopt the ordinance concerning clear and objective approval criteria for housing, included as Attachment B to the AIS.

Council Discussion

- Councilor Semple – asked how items such as the Bethel Refinement Plan are different than special area zones; asked if the special area zones are treated differently and if not, why do we have special area zones; stated she is concerned these special area zones are going to disappear as a result of middle housing and clear and objective standards code; stated she likes the idea of a transition zone.
- Councilor Semple – commented if we are going to look at a Jefferson Westside transition zone we should look at this for the rest of the City to be fair, and it should be sent back to the Planning Commission; stated she is ok with passing and then asking the Planning Commission to look at this in more detail.
- Councilor Clark – stated there is a problem when a 12-story building is proposed to be built near single-family housing; the technical parts and process in this work have produced an inappropriately abutted zone which still exists in the Jefferson Westside neighborhood; stated the wisest choice is to send this back to the Planning Commission and have it come back to Council when all parties involved agree.

MOTION to SUBSTITUTE: Councilor Clark, seconded by Councilor Semple, moved to send this issue back to the Planning Commission to deal with these still unresolved issues, and then bring back to Council.

- Councilor Syrett – shared she is not in support of postponing the vote and sees no value in sending this back to the Planning Commission, as the perfect solution will never be found and will not solve this political problem.
- Councilor Zelenka – agreed with Councilor Semple the most efficient method is to pass the ordinance and then ask the Planning Commission to look at this issue; there has been three years of work, discussion and analysis done on this and it can be amended; stated it is not fair to second-guess the Planning Commission's work.
- Councilor Groves – asked how long it would take for this item to come back to Council if it does go back to the Planning Commission.
- Councilor Clark – shared he is in favor of sending this back to the Planning Commission because it is the fastest way for this to be implemented; shared the two Planning Commission members he spoke to agree this should be sent back to the Planning Commission to solve the conflicts that exist.
- Mayor Vinis – stated she interpreted the Planning Commissioner's comments in a different way; stated she would like to pass this then refer this particular concern back to the Planning Commission.
- Councilor Zelenka – stated the prudent course is to pass and then refer the specific question.

VOTE: FAILED 2:6, Councilors Keating, Zelenka, Yeh, Evans, Syrett, and Groves opposed.

- Councilor Keating – asked a clarifying process question.
- Councilor Evans – asked a clarifying question regarding the motion on the table.
- Councilor Zelenka- moved to add a friendly amendment to refer the specific question back to planning commission.

MOTION to AMEND: Councilor Zelenka, seconded by Councilor Evans, moved to amend the motion to refer the specific question back to the Planning Commission.

VOTE ON MOTION (*with friendly amendment*): Councilor Yeh, seconded by Councilor Syrett, moved to adopt the ordinance concerning clear and objective approval criteria for housing, included as Attachment B to the AIS, and to refer the specific question [regarding transition and special area zones] back to the Planning Commission. **PASSED 8:0**

The meeting adjourned at 10:20 p.m.
