

Eugene City Council Work Session
June 23, 2021

Unhoused Response

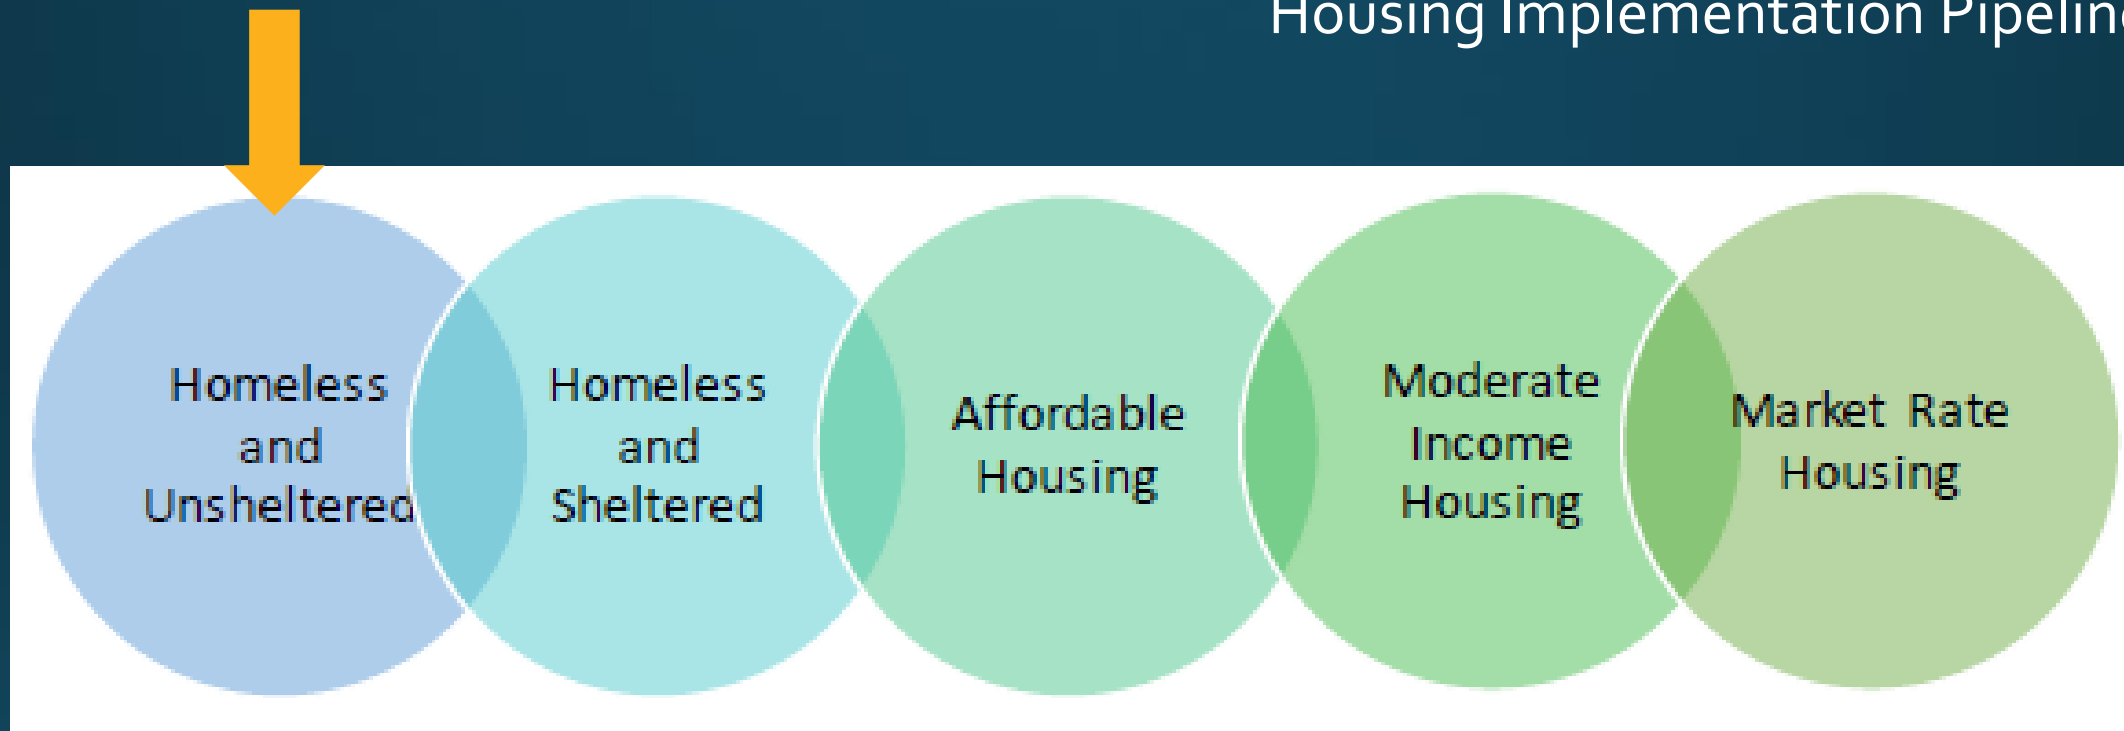

Planning for the Future

Systems Approach

Housing Implementation Pipeline

Current Conditions

- May 2021 Homeless by Name List– 2,474
- Temporary camp updates
- Outreach / connecting unhoused people to services

Safe Sleep Site Update

- Service models & coordination with partners
- Site Review
- Outreach

Safe Site Program Planning

- Involving internal & external stakeholders
- Populations and needs
- Site Management & Staffing
- Rules & Agreements
- Policies & Processes
- Entry & Referral
- Services

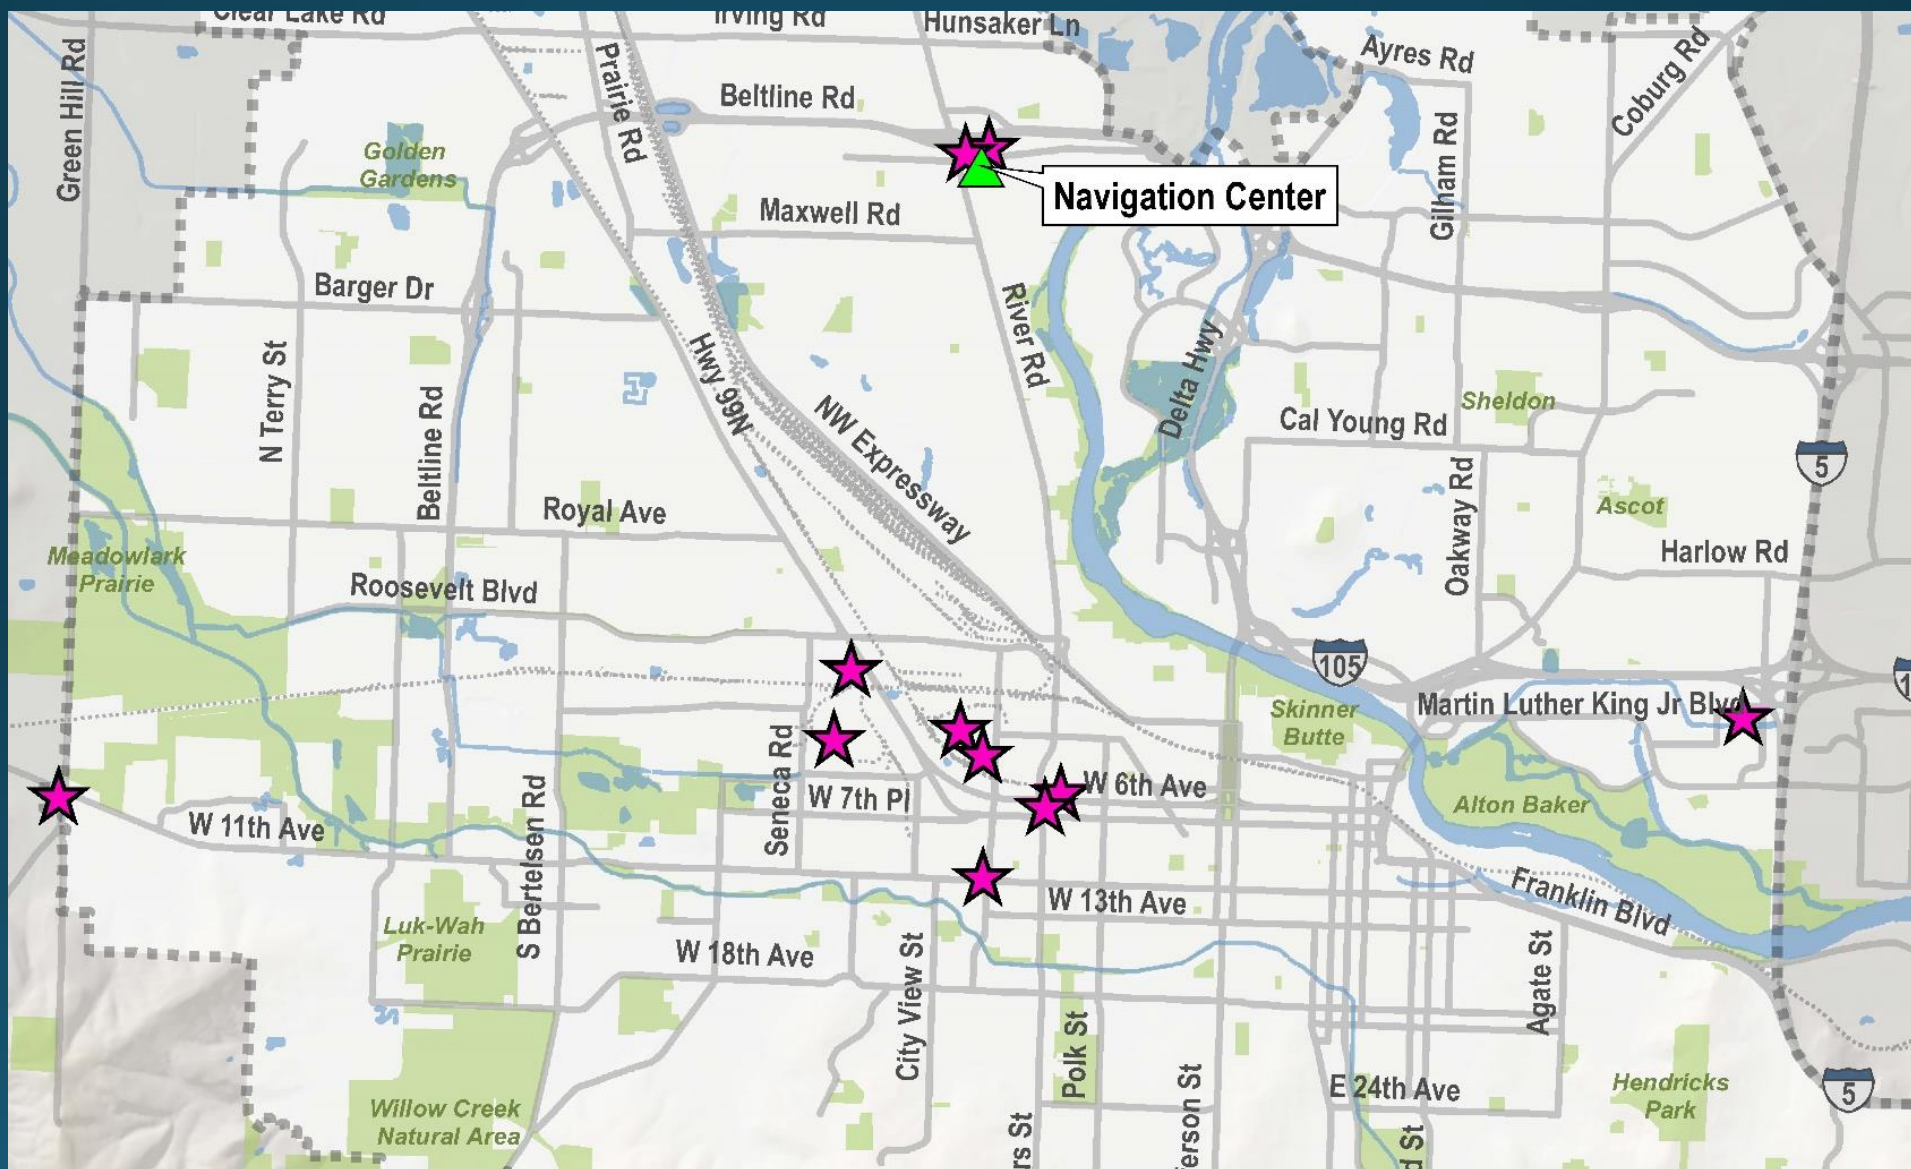

Unhoused Outreach

- Surveyed campers in WJ and 13th Ave
 - 80 percent of respondents said willing to move to sanctioned site
- Most important for sanctioned site?
 - Secured storage
 - Access to meal preparation
 - On a bus line

Potential Safe Sleep Sites

Neighborhood Association Outreach

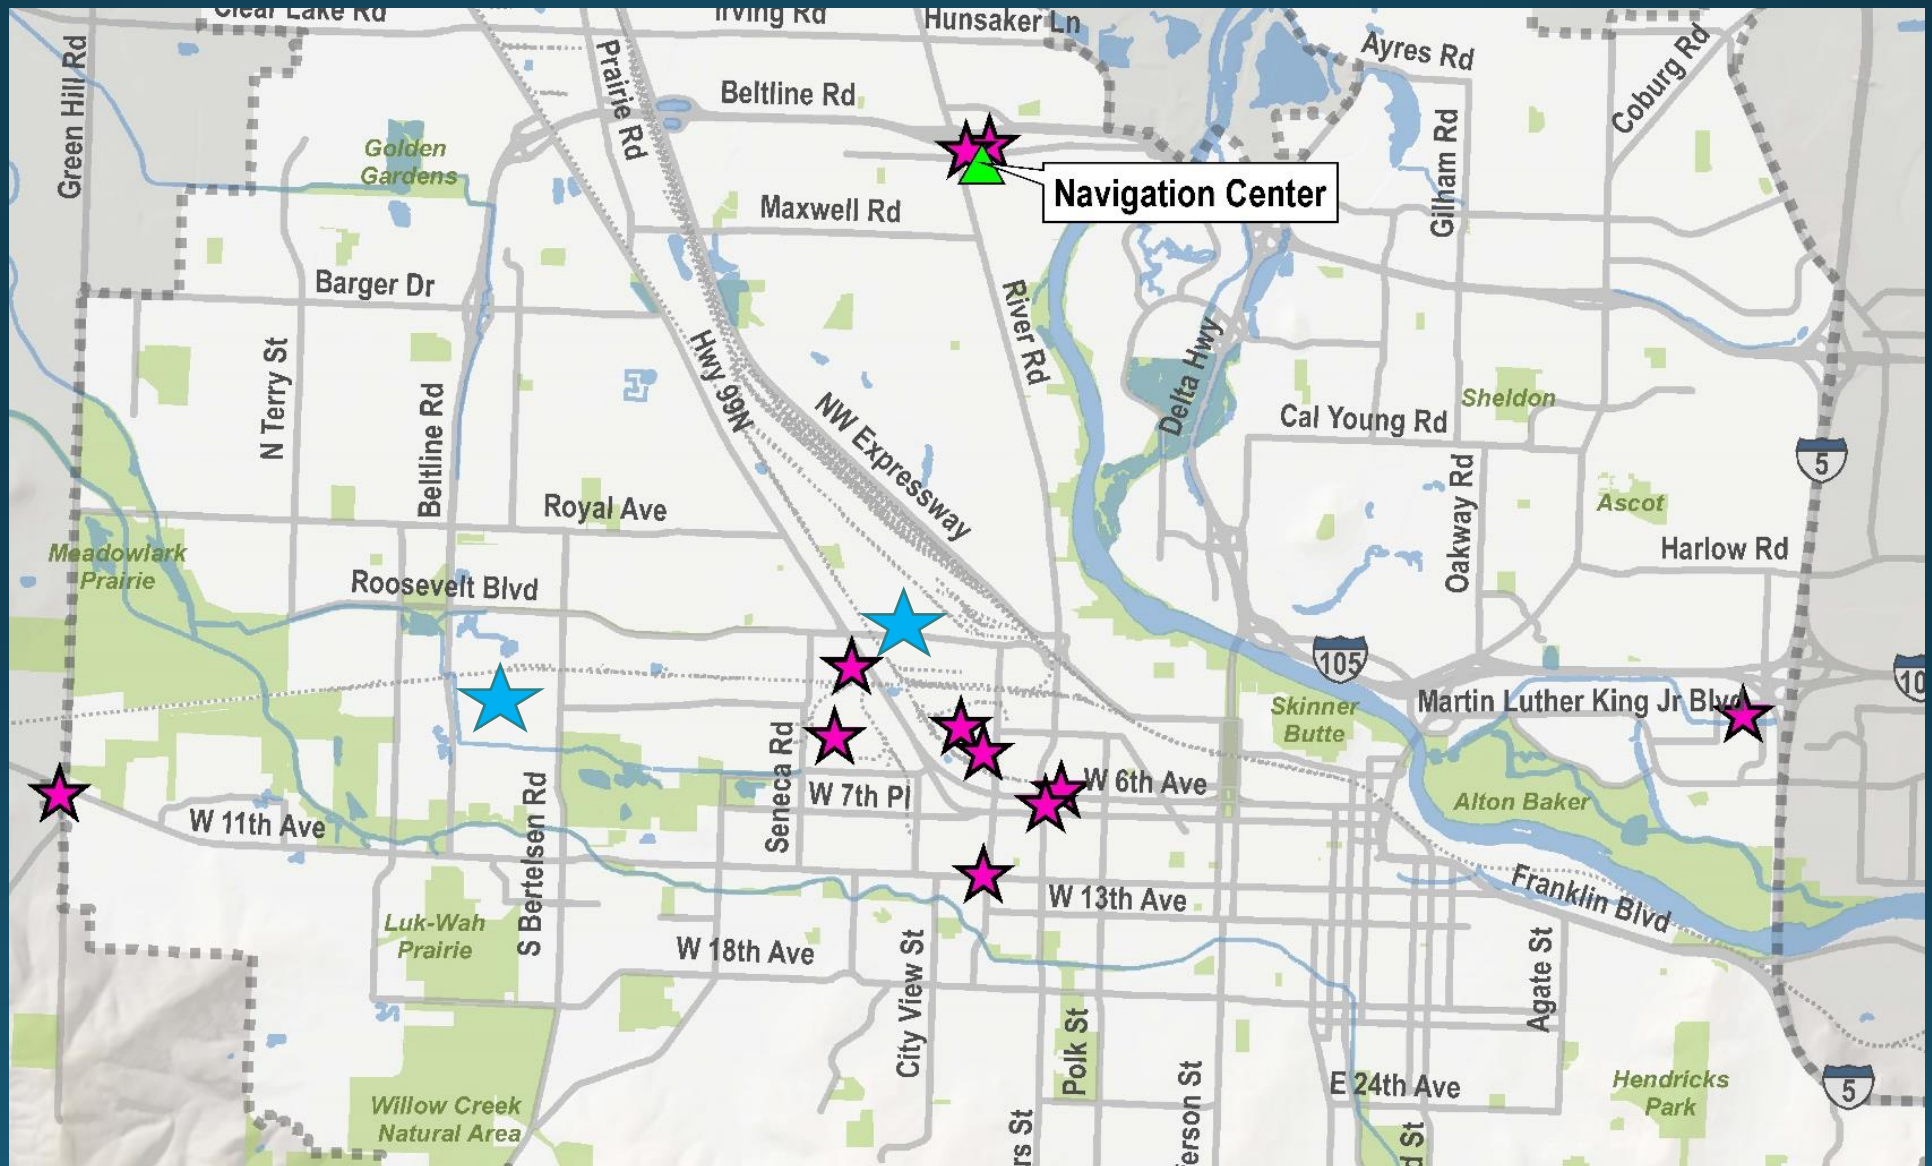

- Met with Active Bethel Community, River Road Community Organization, Harlow Neighborhood Association and Whiteaker Community Council.
 - Would like to see more equitable geographic distribution
 - More support from EPD regarding unsanctioned camping
 - Proximity to schools (River Road specific)
 - Raised disproportionate impact of unhoused in Whiteaker

Business Outreach

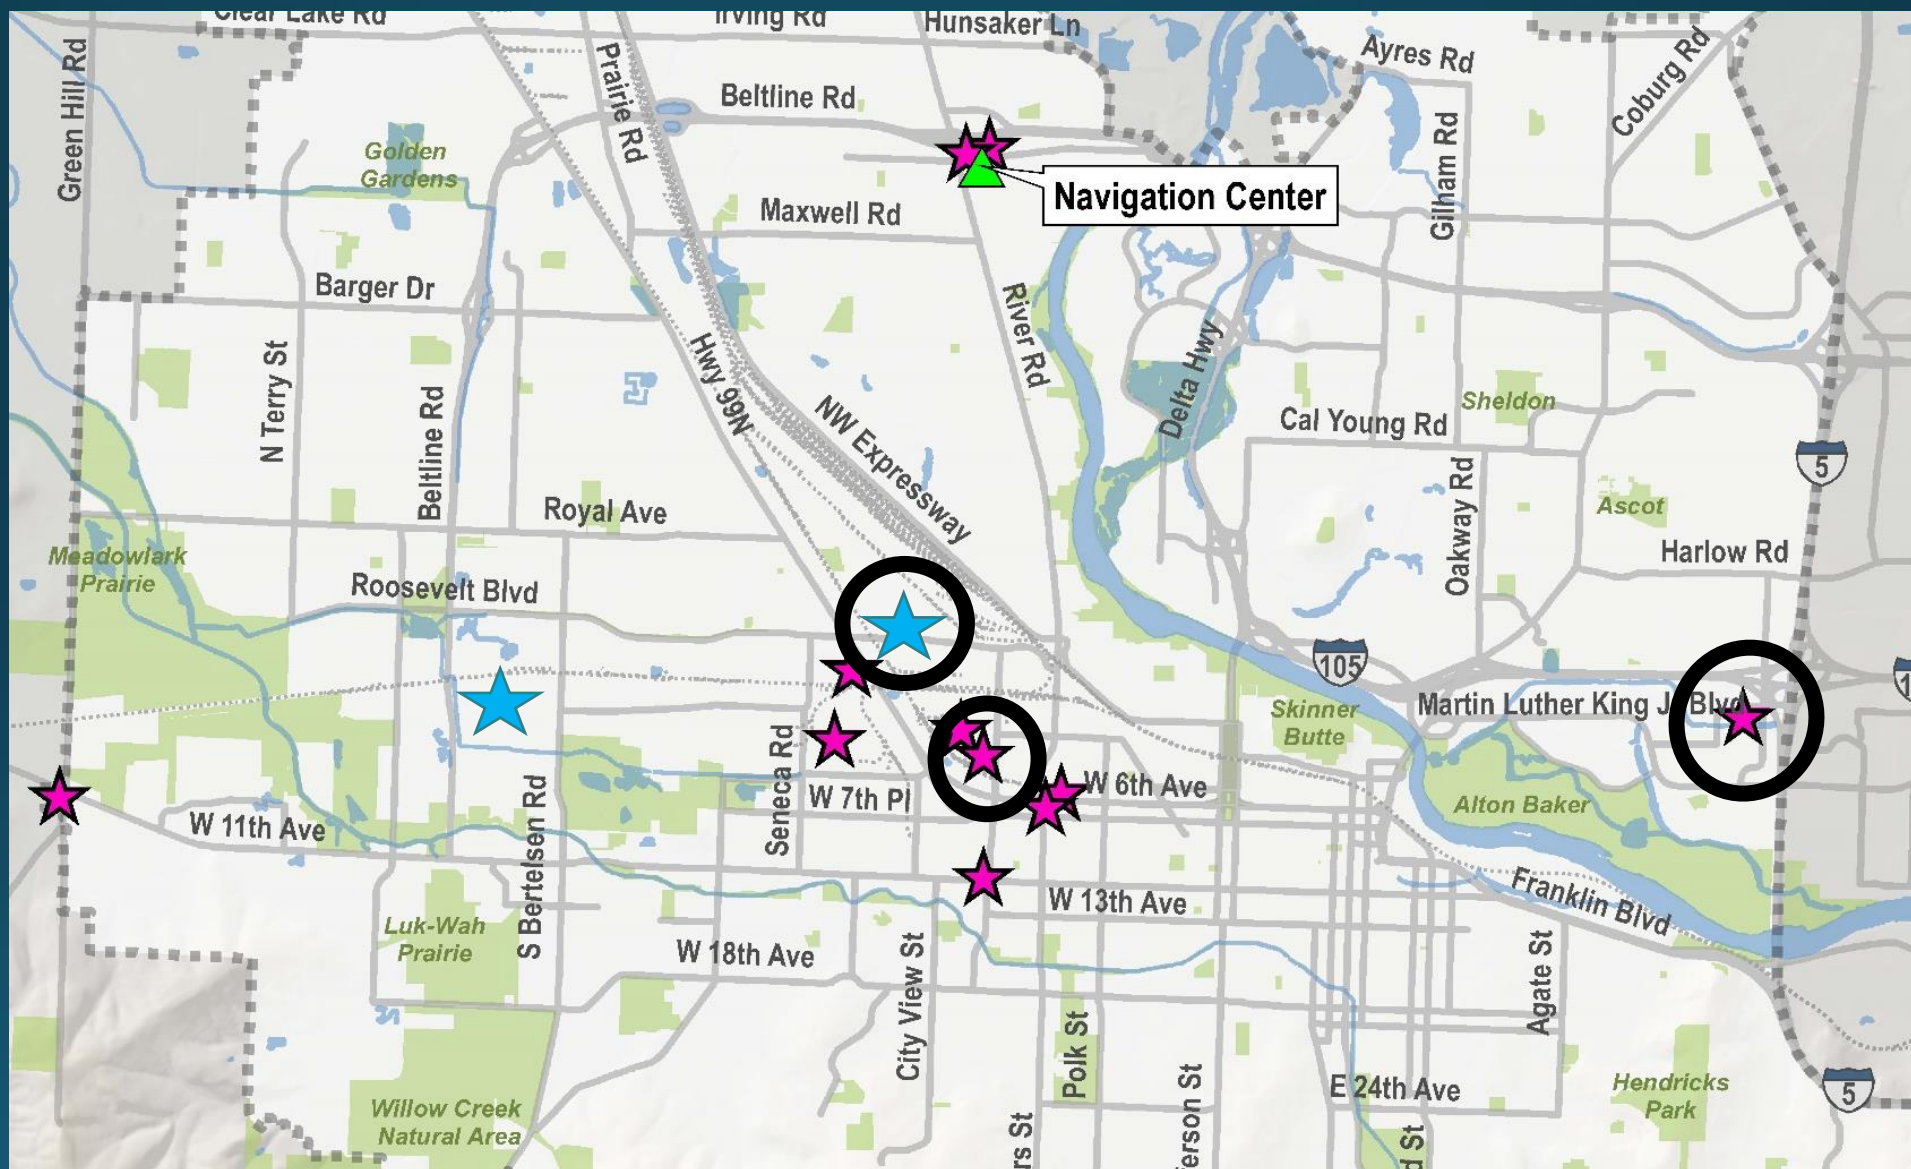

Key themes -

- More support from EPD regarding unsanctioned camping
- Improved response to criminal activity and safety issues
- Business operations
- Proximity to schools and businesses (specific to River Rd areas)
- Concern about multiple River Avenue/River Rd sites being considered in addition to establishment of Navigation Center

Potential Safe Sleep Sites

Safe Sleep Site Timeline

Phase 2
Vetting, initial outreach

Phase 4
Implementation

Phase 1
Site assessment

Phase 3
