

# Right of Way Resolutions on Federal-Aid Projects (part 2)

Eugene City Council Work Session 10/27/2021  
Presenter: Jenifer Willer, PE – Acting City Engineer

1

## The Basics

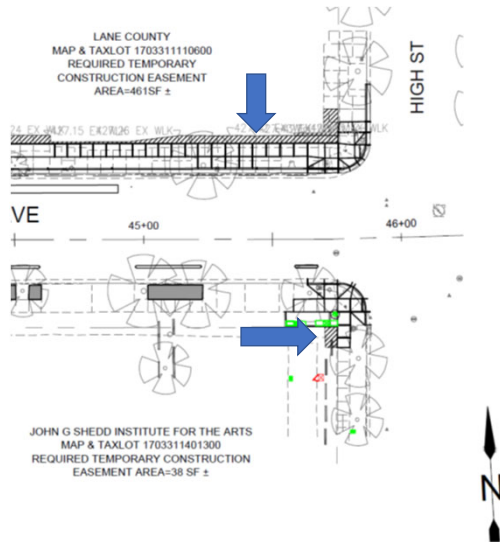

The City receives federal transportation funding from FHWA/USDOT which is administered by ODOT.

On projects that require the acquisition of temporary or permanent right of way, ODOT requires the local agency to adopt a resolution.

Procedural formality to comply with the ODOT IGA.

2

## Example/Upcoming Project

### 8<sup>th</sup> Avenue Streetscape Project

Identified four properties from which temporary construction easements are needed.

The purpose of all of the easements is to match existing paved surfaces on private (or public) property with the new infrastructure.

3

## Proposed Process

Place federal-aid ROW resolution on the consent calendar

Item may be pulled from consent calendar for further consideration

Schedule on regular agenda if ROW is complex, controversial, or Council has indicated they want further discussion
