Use hand sanitizer made with at least 60-95% alcohol content.

Reopening Oregon Phase 1

State Wide Face Covering Policy

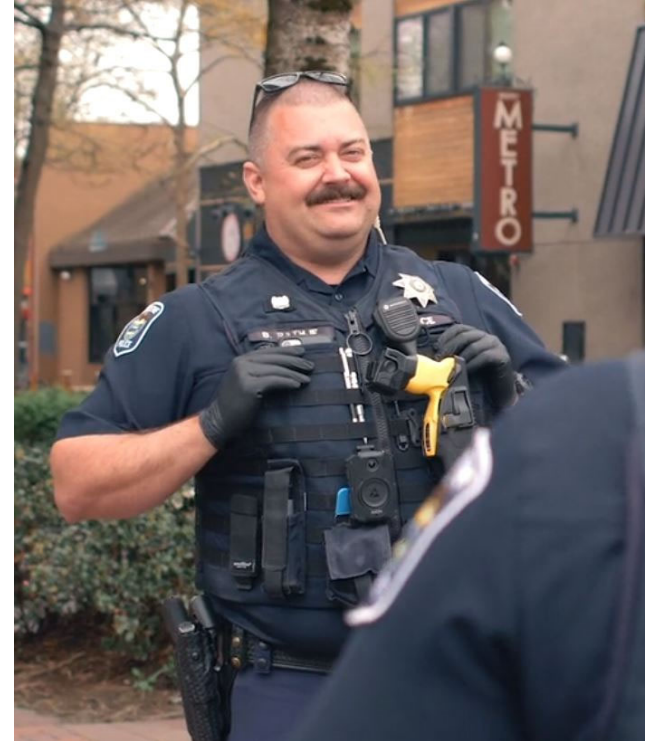

- **Required:** Employees wear masks at grocery stores, pharmacies, public transit, salons/personal services, and ridesharing
- **Strongly recommend:** Businesses with employees required to wear masks require masks for customers
- **Strongly recommend:** Masks be worn in any indoor public space, especially where six feet of physical distance cannot be maintained

Reopening Oregon Phase 1

City Services

- Maintain critical services
- Continue telework as much as possible
- Continue providing City services - online, by phone, by appointment & by email
- Preparing for safe opening of facilities as allowed
- Developing detailed safety plans for phased return of staff

Reopening Oregon

Beyond Phase 1

Phase II – Higher risk

- Optional increased work in offices
- In-person local gatherings up to 100* with physical distancing
- Visitation to nursing homes – limited

*tentative

Phase III – Highest risk

- Will require reliable treatment or vaccine
- Reopen concerts, conventions, live audience sports
