Eugene City Council Virtual Work Session Eugene, Oregon 97401

May 13, 2020
12:00 p.m.

Councilors Present: Emily Semple, Betty Taylor, Alan Zelenka, Jennifer Yeh, Mike Clark, Greg Evans, Claire Syrett and Chris Pryor

Mayor Vinis opened the May 13, 2020, work session of the Eugene City Council.

1. WORK SESSION: COVID-19 Update

Chief Heppel gave a presentation which included current local data, information about Lane County's Phase 1 application, and looking ahead to what reopening will look like in Phase 1 and beyond.

Council Discussion:

- Councilor Syrett – thanked Chief Heppel for the thorough update; asked for staff to inquire of Lane County if it will be increasing staffing for contact tracing and if so, will it be requiring contract tracers to be registered nurses; asked for staff to clarify with Lane County that if it does need a higher capacity of contract tracers the State will be providing them; as a follow-up to Dr. Luedtke's presentation, asked staff to request Dr. Luedtke share with Council his response to a colleague regarding the emergency room doctors' video.
- Councilor Zelenka – asked what testing capability is as of today, and what the prognosis is for ramping up testing to a significant degree; asked if 5,000 tests per day could be done; asked if the testing policy at this time is to test those who are potentially sick or if those who are just curious are being tested as well; cautioned making testing data public as some lower-income and ethnic groups have shown a higher propensity to be infected and this may cause discriminatory tendencies; asked if the County receives its testing equipment from the State; commended the UO for being a great community partner in allowing use of their labs, facilities, knowledge and expertise to help the community through this situation.
- Councilor Clark – thanked the Chief for the report and the work that all are doing to keep people safe; asked what prevents Lane County from being able to conduct 4,000-5,000 tests per day, and asked staff to confer with Lane County for a specific answer; asked about batch testing and why it is not being done.
- Councilor Semple – asked to confirm if 500 tests are being conducted per day; expressed urgency for testing of as many as possible; asked how council can get an accurate testing number; asked if vulnerable populations are testing positive at a higher rate; asked if we are testing in the jail and pointed out this is a congregate living situation with the potential for a flare-up; stated that more testing is needed.
- Councilor Pryor – stated it sounds like councilors would like to move from the current reactive testing situation to a more proactive testing scenario; asked staff to provide information on what is needed to get to the proactive testing scenario.
- Councilor Taylor – asked when City Council meetings can again take place in person; wanted to know if residents can visit the coast.
- Councilor Clark – asked what the guidance and the Governor's authority is regarding visiting the coast (not recommended vs. prohibited).

2. WORK SESSION and ACTION: Broadway & Hilyard Property Disposition Deal Points

Amanda D'Souza gave a brief presentation on deal points for the City-owned property at the corner of Broadway and Hilyard.

Council Discussion:

- Councilor Zelenka – expressed approval of the vision and plan and thinks it will be a great addition for the community if it is built; stated the track record of people buying surplus property from the City and following through with their plans is poor, and doesn't believe anyone who has gone through this type of process (small parcel sales, alley vacations, etc.) has ever done what they said they would do; said he believes this is because the City doesn't make any requirements of buyers in the terms of the sale; suggested if the City is not going to add a provision to the sale requiring completion of the improvement by a certain time or it reverts back to City, then a different process should be used, such as selling the property to the highest bidder; asked staff if any of the previous sales conducted with a similar process have fulfilled their visions; stated the way we do the process is bothersome to him and doesn't result in anything but people sharing ideas.
- Councilor Clark – asked why this parcel was not used for the improvements for which it was purchased; stated the property is in bad shape and is not being well maintained, and those offering to purchase it have motivation in the operation of their business to make it look better than the City has; stated he is in favor of the sale because the net result will be the City receiving money for property it doesn't want or use, and it will result in a more attractive entrance to the city.
- Councilor Pryor – observed the City has owned the site for over 10 years and has done nothing with it other than build a piece of road on it; stated he knows Tom Connor and the work he has done, and has high faith Mr. Connor will do what he says he will do; stated he believes the City did alley vacations or property sales for Whole Foods, the 5th Street Market expansion, the Woolworth Building and Matthew Knight Arena, all of which were built or are being built; said if the City is going to be involved in property and development there is a risk, but overall he feels the City's success rate is good. Stated he has confidence in Mr. Connor as he has control of the adjacent property with plans to improve it, the City will receive \$90,000 that it otherwise wouldn't have, and the parcel will be improved; he is supportive of the project, thinks it has a lot of promise and is comfortable taking the risk to see that vision pay off.
- Councilor Syrett – thanked staff for the presentation, stated she is supportive of the current deal points and thinks a mural at this site will be a significant improvement; expressed disappointment that Mr. Connor has not been able to secure the property to the west which appears to be held by a family trust, and that it may remain vacant and undeveloped for years to come in a major commercial corridor where improvements are being planned; recalled a successful disposition of city property being the alley vacation by the jail; stated she doesn't see any value in keeping the parcel and sees it rather as offloading a burden and gaining a small piece of taxable property; said if the new owner can fulfil his vision it will improve the value of the property and those nearby, all of which are net positives; asked if the parcel has pedestrian but no vehicle access and if the plan calls for the new owner to make access for food trucks.
- Councilor Zelenka – stated he will vote for the proposal and that his comments were not about this project as he hopes it will be built; his comments were about future projects and thinking about ways to make the process have meaning and not just result in some nice drawings that may or may not happen; clarified the projects he was specifically talking about do not include the large projects that have large building components as part of them, they were the smaller ones.
- Councilor Semple – reminded the council that this was the site of Whoville, which started out being a decent place for homeless people to have a place to sleep; said she understands it is an entrance to the city and \$90,000 is a lot of money, but at the same time, more places to shelter people are urgently needed.

MOTION AND VOTE: Councilor Semple, seconded by Councilor Yeh, moved to authorize the City Manager to sell the parcel identified in Attachment A to Budgetel Inns of Oregon, Inc. consistent with the terms included in Attachment B. **PASSED 8:0.**

3. WORK SESSION: Downtown Riverfront Phase 1 Infrastructure

Denny Braud and Emily Proudfoot gave a brief presentation outlining the infrastructure project that is needed to access the new Downtown Riverfront Park.

Council Discussion:

- Councilor Clark – thanked staff for the presentation; asked staff how they came to the determination this will be the most visited park in Eugene and inquired if this plan gives adequate access for a highly visited park; asked if this infrastructure will make accessing the riverfront area easier and if it will connect to the EWEB Administration building; inquired when the commercial aspect such as restaurants and shops (not housing) will begin development on the site; asked if the Phase 1 infrastructure serves all of the commercial and public aspects.
- Councilor Zelenka – thanked staff for the presentation and stated he likes the vision of the riverfront development; said his concern continues to be around the recent changes in the project which he feels have fundamentally shifted how the project is completed, and which in turn has changed the risk, the timing and the potential of what will be built; if the Williams and Dame project doesn't come through, the City is considering a different model where it is acting alone, building and paying for the infrastructure and acting as general contractor to partner with multiple developers to build single parts of the overall master plan; expressed nervousness with this new model as it is significantly different from the original path, with more risk and work by the City; asked whether the City should stick with plan A and wait to act on the infrastructure until that part of the plan has some certainty (i.e. we have a deal with Williams & Dame); stated he doesn't agree there is no access to the park – there are City-owned parking lots on 4th and Mill which are a half-block away from this park and will give ample access, in addition to the bike paths on either side of it.
- Councilor Syrett – stated that overall she believes the pros outweigh the cons in terms of moving forward on the infrastructure, and for her at this time the negatives outweigh the benefits of not doing so; stated she will speak to that more specifically at a time when Council is considering a motion.
- Councilor Semple – stated she likes the project even though it has changed, as it brings needed elements right now such as jobs, housing and low-income housing; stated it was always a possibility that Williams & Dame might back out of the project; asked how much of this investment might be available for recovery projects if the project doesn't go forward and, if it's not available, this project might as well be completed; suggested that the land could be used for some temporary camp sites as long as it remains empty.
- Mayor Vinis – stated this is a recovery project – this is jobs and public investment that will spur other economic investment; stated she sees this as part of the community's economic recovery from this crisis, and is grateful to be in a position to move forward on a project that does create jobs and does show investment and confidence in the future.
- Councilor Taylor – asked for more consideration of the climate and the Climate Action Plan; people can get to the park by foot and bicycle; asked if Williams & Dame will back out of the project if new natural gas is prohibited at the development site; stated she thinks we should delay the infrastructure.

The meeting adjourned at 1:33 p.m.

Respectfully submitted,

Department: City Manager's Office
www.eugene-or.gov

Agenda Item Number: 3B
Staff Contact: Beth Forrest
Contact Telephone Number: 541-682-5882

ISSUE STATEMENT

This is a routine item to approve the City Council Tentative Working Agenda.

BACKGROUND

On July 31, 2000, the City Council held a process session and discussed the Operating Agreements. Section 2 notes, in part, that "The City Manager shall recommend monthly to the council which items should be placed on the council agenda. This recommendation shall be placed on the consent calendar at the regular City Council meetings (regular meetings are those meetings held on the second and fourth Monday of each month in the Council Chamber). If the recommendation contained in the consent calendar is approved, the items shall be brought before the council on a future agenda. If there are concerns about an item, the item may be pulled from the consent calendar at the request of any councilor or the Mayor. A vote shall occur to determine if the item should be included as future council business." Scheduling of this item is in accordance with the Council Operating Agreements.

RELATED CITY POLICIES

There are no policy issues related to this item.

COUNCIL OPTIONS

The council may choose to approve, amend or not approve the tentative agenda.

CITY MANAGER'S RECOMMENDATION

The City Manager has no recommendation on this item.

SUGGESTED MOTION

Move to approve the items on the Tentative Working Agenda.

EUGENE CITY COUNCIL AGENDA ITEM SUMMARY

Action: Appointments to Boards, Commissions and Committees

Meeting Date: June 8, 2020
Department: City Manager's Office
www.eugene-or.gov

Agenda Item Number: 5
Staff Contact: Jessica Gebb
Contact Telephone Number: 541-682-5336

ISSUE STATEMENT

This is an action item to appoint members to the City's boards, commissions and committees.

BACKGROUND

Each year, the City Council makes appointments to boards, committees and commissions. Chapter 2 of the Eugene Code addresses standing committees to the Council as well as the appointment process for each body. For most standing committees created in the code, Council is the appointing authority.

The annual recruitment for boards, committees and commissions this year was initiated on January 21 and concluded on March 1. The recruitment was publicized on the internet, in newspapers, through flyers, at City offices, and at City- and neighborhood-related meetings and events.

Interviews for boards and commissions were held on April 20. Members of the council then voted on which candidates to nominate for appointment. Candidates who received five or more votes are included in the staff-prepared motions to nominate (below). For all other vacancies for which no candidate receives at least five votes, the Council President will consider the votes cast and make a recommended nomination.

COUNCIL OPTIONS

1. Appoint applicants who have been nominated.
2. Appoint other applicants from the pool.
3. Seek additional candidates for these positions.

CITY MANAGER'S RECOMMENDATION

The City Manager has no recommendation on this item; the appointments are made by Council.

SUGGESTED MOTIONS

Budget Committee

The Budget Committee has three vacancies this year. Council voted to nominate the two incumbents for reappointment (Eliza Kashinsky and Katharine Ryan) and to hear statements from six new applicants. No applicant received enough votes to be nominated. The Council President will consider the votes cast and make a recommended nomination for the remaining vacancy.

Move to reappoint Eliza Kashinsky to the Budget Committee for a three-year term beginning July 1, 2020 and ending on June 30, 2023.

Move to reappoint Katharine Ryan to the Budget Committee for a three-year term beginning July 1, 2020 and ending on June 30, 2023.

Move to appoint _____ to the Budget Committee for a three-year term beginning July 1, 2020 and ending on June 30, 2023.

Civilian Review Board

The Civilian Review Board has three vacancies this year. Council voted to nominate the one incumbent for reappointment and to hear statements from three new applicants; one applicant received enough votes to be nominated for appointment. For the remaining vacancy, the Council President will consider the votes cast and make a recommended nomination.

Move to reappoint Carolyn Williams to the Civilian Review Board for a three-year term beginning July 1, 2020 and ending on June 30, 2023.

Move to appoint William Whalen to the Civilian Review Board for a three-year term beginning July 1, 2020 and ending on June 30, 2023.

Move to appoint _____ to the Civilian Review Board for a three-year term beginning July 1, 2020 and ending on June 30, 2023.

Human Rights Commission

The Human Rights Commission has three vacancies this year. Council voted to nominate the two incumbents for reappointment and to hear statements from four new applicants; one applicant received enough votes to be nominated for appointment.

Move to reappoint Ibrahim Coulibaly to the Human Rights Commission for a three-year term beginning July 1, 2020 and ending on June 30, 2023.

Move to reappoint Ibrahim Hamide to the Human Rights Commission for a three-year term beginning July 1, 2020 and ending on June 30, 2023.

Move to appoint Heather Sielicki to the Human Rights Commission for a three-year term beginning July 1, 2020 and ending on June 30, 2023.

Planning Commission

The Planning Commission has one vacancy this year, with no incumbents applying for reappointment. Councilors selected two applicants to make statements. No applicant received enough votes to be nominated. The Council President will consider the votes cast and make a recommended nomination for the remaining vacancy.

Move to appoint _____ to the Planning Commission for a four-year term beginning July 1, 2020 and ending on June 30, 2024.

Police Commission

The Police Commission has five vacancies, with two incumbents eligible and applying for reappointment. Per Eugene Code 2.368, the mayor nominates candidates to Council for this group. Mayor Vinis' nominations are included in the following suggested motions:

Move to reappoint Silverio Mogart to the Police Commission for a four-year term beginning July 1, 2020 and ending on June 30, 2024.

Move to reappoint William Davie to the Police Commission for a four-year term beginning July 1, 2020 and ending on June 30, 2024.

Move to appoint Ian Winbrock to the Police Commission for a four-year term beginning July 1, 2020 and ending on June 30, 2024.

Move to appoint Scott Rogers to the Police Commission for a four-year term beginning July 1, 2020 and ending on June 30, 2024.

Move to appoint Jojo Jensen to the Police Commission for a three-year term unexpired term beginning July 1, 2020 and ending on June 30, 2023.

Historic Review Board

The Historic Review Board has three vacancies, with two incumbents eligible and applying for reappointment. Per Eugene Code 2.368, the mayor nominates candidates to Council for this group. Mayor Vinis' nominations are included in the following suggested motions:

Move to reappoint David Edrington to the Historic Review Board for a four-year term beginning July 1, 2020 and ending on June 30, 2024.

Move to appoint Tiffany VanderZanden to the Historic Review Board for a four-year term beginning July 1, 2020 and ending on June 30, 2024.

Move to appoint Lesley Yates-Pollard to the Historic Review Board for a one-year unexpired term beginning July 1, 2020 and ending on June 30, 2021.

Lane Regional Air Protection Agency

The Lane Regional Air Protection Agency has two vacancies, with one incumbent eligible and applying for reappointment. The mayor nominates candidates to Council for this group. Mayor Vinis' nominations are contained in the following suggested motions:

Move to reappoint Jeanine Parisi to the Lane Regional Air Protection Agency for a three-year term beginning July 1, 2020 and ending June 30, 2023.

Move to appoint Howard Saxion to the Lane Regional Air Protection Agency for a three-year term beginning July 1, 2020 and ending June 30, 2023.

Whilamut Citizen Planning Committee

The Whilamut Citizen Planning Committee has six vacancies. One incumbent and three new applicants applied. Efforts to recruit members for the two remaining vacancies will continue. The mayor nominates candidates to Council for this group. Mayor Vinis' nominations are contained in the following suggested motions:

Move to reappoint Vicky Mello to the Whilamut Citizen Planning Committee for a three-year term beginning July 1, 2020 and ending on June 30, 2023.

Move to appoint Nicholas Gombart to the Whilamut Citizen Planning Committee for a three-year term beginning July 1, 2020 and ending on June 30, 2023.

Move to appoint David Sonnichsen to the Whilamut Citizen Planning Committee for a three-year term beginning July 1, 2020 and ending on June 30, 2023.

Move to appoint Sam Stroich to the Whilamut Citizen Planning Committee for a three-year term beginning July 1, 2020 and ending on June 30, 2023.

I believe deeply in my hometown of Eugene. In my 21+ years here, I have seen many friends and businesses be pushed out, and seen newcomers arrive in search of a home and a nurturing community. I am 26, and what strikes me about this community is how few people – newcomers and lifelong Eugeneans alike -- understand the rich history that underpins us. Besides the unfortunate legacy of white supremacy and sundown towns, our town's tenacity and compassion directly stems from leaders like the Kalapuya, Eugene Skinner, Bill Bowerman, Annie Mims, Mason Williams, Sabrina Ionescu, and so many more. In bringing a young voice to the Historic Review Board or Library Board, I hope to co-lead an effort to bring literacy in historicity to where the people are.

As a 19 year-old first-year student at Carleton College in Minnesota, I founded Humans of Carleton, which for three years was the most frequently-visited Facebook page in the college's history. The concept was simple: make a space for everyday people to share whatever stories they wanted to. The page consisted of photography and personal narratives gleaned from one-on-one interviews I conducted with community members. I interviewed a diverse cast of 120 people for the page, and before I graduated in 2017, its posts averaged about 7,500 views and 2,100 engagements. The enrollment of the college was 2,014 (the alums really ate it up!). Since returning to Eugene from graduate school in NYC, I have begun a similar effort with a video podcast, conducting long-form weekly interviews with 11 Oregonians. I firmly believe that everyday life is history, and that when used correctly, social media and smartphones can be a benefit to literacy for all generations.

I want to instill a lifelong love of history and current event analysis in Eugene's young generations. To this end, I recently founded what I believe is the first free daily newsmagazine in Eugene history, called Humanity EUG (@humanityEUGnews on Instagram). This magazine has been met with over 40,000 page turns in less than four months. As I previously mentioned, I like bringing history to where everyday people are. Since the first decade of the 20th century, several individuals have aptly noted that news is the "first rough draft of history." That means that sometimes journalism gets it wrong. You likely did not expect me to mention the smartphone game "Pokemon Go" in this response, but it is a prime example of this phenomenon. Having launched in July 2016, this augmented reality game quickly became the most-downloaded video game in American history ... before experiencing a severe reduction in its player base by October of that year. Since then, many laypeople have mistakenly accepted the journalistic narrative that the game is no longer relevant nor popular. This is not true (as of April 2019, the free-to-play game's revenue was worth \$187,532), and semi-urban communities like Eugene continue to play host to thousands of daily participants.

The reason this is relevant is that the game – and others like it, such as Harry Potter: Wizards Unite – represents a significant opportunity to get people engaging with and learning about Eugene's historic landmarks. A great deal of these sites appear as points of interest in the game, and many are accompanied by a historical blurb, which varies in quality and detail. One of the many things I hope to contribute as a Historic Review Board member is to deepen the public's knowledge of Eugene's heritage sites. My approach will be two-fold: I will use the recently-added site nomination feature for high-level players to improve how Eugene is represented in the the game (and future games in development), and I will communicate with the public about these powerfully resonant spaces in our own backyard. Thank you for your consideration.

Job Experience

Sales & Marketing 1986-1993
Sales Rep for First Responder Uniforms - 1993-1995
Professional Voice Talent - Self-employed 1995-now

Personal Experience

Worked with and got to know first responders when I sold uniforms to police, EMS and fire fighters. Since then I have admired their commitment to their career path. It's not a job I want, but I can support them.

Contribution

I look for solutions. I like research and data as well as anecdotal information. I ask questions and want to know the WHY, HOW and WHAT of it all. Why a procedure isn't working. What's the best tool for this job and why? etc. And I want to become a member so I can support our police officers in the way that I can - by helping them do their jobs to the best of their ability. I am eager to hear all sides of an issue and know that there are solutions to be found by working together - community, city government and law enforcement.

1 What is your understanding of the role of the Police Commission within the community?

The commission is an advisory committee to review policies and procedures for the EPD to make sure they best serve the community. And work with the Police Chief and city staff to support their mission between the community and law enforcement.

2 What do you see as the role of the Police Commission relative to City government?

Perspective. It's always good, though sometimes hard to hear, outside perspective. A civilian commission doesn't have skin the game and may be able to look at issues, policies and resource management in a more objective light. This commission is a good sounding board between what the EPD may need and the city staff has to offer.

3 What community issues, related to the work of the Police Commission, are of interest to you?

Policy review that will have an affect on both the safety of the community and the police officers. Making sure that the EPD has what they need to do their jobs, including training, tools and support. Making sure that policies reflect the current state of our community with a vision toward what's next.

Job Experience

SCR PROJECT MANAGER, UO, January 2019 – Present
Created FY20 permanent budget and budget tracking systems

SENIOR PROGRAM MANAGER, CITY OF WEST SACARMENTO, CA April 2017 – December 2018
Provided oversight and tracked \$1 million program budget

Personal Experience

I have seven years of public sector budget management experience. My wide-ranging experience in the public sector and commitment to the community make me qualified for this position, and a cultural fit for the committee.

Contribution

I hope to contribute my financial management expertise to the budget committee in order to facilitate recommendations to council that are fiscally prudent, compliant with Oregon state law and enhance the livability and vibrancy of Eugene neighborhoods and communities.

Interested Applicants

3/2/2020 1:54:45 PM

I wish to apply for the position of budget committee member for the City of Eugene. Over the past six years, I've dedicated my career and volunteer time to managing projects and programs that advance complex public sector initiatives, managing complex budgets involving different revenue streams and often working with vulnerable populations that require high levels of collaborative decision-making.

As a neighbor, I currently serve as an at-large board member for the Whiteaker Community Council, lead our arts subcommittee the Whiteaker Community Art Team as well as serve as the co-chair of the Neighborhood Leadership Council. As both a renter, and Whiteaker resident, I'm passionate about solving neighborhood issues with neighborhood resident input through my financial management skill set.

During my past six years of public service, both for local government through my time as a Senior Program Manager, and Deputy to a Mayor, as well as a Project Manager for the University of Oregon, I've designed programs, developed implementation strategies and conducted analysis of results leading to deliverables and outcomes that improve public welfare.

I believe my proven commitment to public service, involvement with community and capacity building in the Whiteaker and wide-ranging experience in project management, program analysis and political consensus building in both the nonprofit and public sector make me uniquely qualified for this position, and a cultural fit for the budget committee.

1 What is your understanding of the role of the Police Commission within the community?

The Police Commission acts as an community advisory body to the city council, chief of police and city manager on issues that effect EPD police policy and resources.

2 What do you see as the role of the Police Commission relative to City government?

To act as community-member subject matter experts for City Government. The Council relies on community members to provide not only their lived experience, professional and educational expertise on specific issues, but to also work with each other and EPD in order to provide research and analysis on Police Commission issues.

3 What community issues, related to the work of the Police Commission, are of interest to you?

Houselessness, art and community engagement.

Job Experience

I've worked in customer service for most of my work history. I can provide the community with excellent service.

Personal Experience

Through my classes on GIS, Sustainable urban planning, sociology and management, with a lens on psychology, I am able to learn and experience city planning related issues. I have been to conferences on transportation planning in my post grad career.

Contribution

I want to improve the functions of the Whilamut natural area to define the park as a gathering place for the community, a spot for recreation, and as a cultural icon for the City of Eugene.

Interested Applicants

3/2/2020 2:01:09 PM

1 Have you been a frequent visitor to the Whilamut Natural Area? What do you most enjoy about the park?

I am a frequent visitor to the Whilamut Natural Area, and I enjoy biking through the banks of the river and the open grassland the most.

2 The Citizen Planning Committee (CPC) meets as a full committee on a quarterly basis and all members are expected to attend. There are additional opportunities for involvement which include subcommittees which focus on specific park issues and volunteer work parties in the park. Would you be able or willing to participate in these additional activities?

I am willing to participate on these activities.

3 Describe your top three interest areas or issues regarding the Whilamut Natural Area of Alton Baker Park.

My three interests for the Natural areas in the park is to improve road maintenance in the bank for biking, trash pick up, and adding additional information on the indigenous flora, fauna and pre- colonial history.

4 The CPC works with the City of Eugene, Willamalane Park and Recreation District, and other organizations. What specific strengths and attributes can you contribute to the CPC?

My strengths include my skills in communication, understanding of the local land ordinances, GIS skills and data orientation.

5 Please cite an example in which a wide range of opinions surfaced within a group to which you belonged, and your role in bringing divergent sides toward resolution.

Using what I've learned from negotiation tactics, I was able to tell the group for class project to focus on our overlaying interests in addressing our problems, and organized our opinions to find a common ground to invest in mutual gain.

1 Have you been a frequent visitor to the Whilamut Natural Area? What do you most enjoy about the park?

Yes, I enjoy seeing the changes in the WNA over the year. I am always on the lookout for Bald Eagles and Oregon Grape. The paths weave through all different habitats. I enjoy that the area is for passive recreation so people can enjoy quiet time in the woods and prairies. We all need some quiet time to recover from a fast pace world.

2 The Citizen Planning Committee (CPC) meets as a full committee on a quarterly basis and all members are expected to attend. There are additional opportunities for involvement which include subcommittees which focus on specific park issues and volunteer work parties in the park. Would you be able or willing to participate in these additional activities?

Yes, I will be able to attend all meetings and work on projects the committee works to complete. I am presently the Chair of the CPC. I have worked to encourage the subcommittees to work on projects of their choices

3 Describe your top three interest areas or issues regarding the Whilamut Natural Area of Alton Baker Park.

My interests are to keep the passive recreation aspect in the park so there are not big group gatherings with noise and activities that would bother the wildlife.

I would like to work to get the radio towers removed.

I would like help with removal of invasive plant species.

4 The CPC works with the City of Eugene, Willamalane Park and Recreation District, and other organizations. What specific strengths and attributes can you contribute to the CPC?

I am a good listener and would work to help the committee achieve consensus. I would work to make sure all voices are heard. I am retired so can donate many hours to the work needed.

5 Please cite an example in which a wide range of opinions surfaced within a group to which you belonged, and your role in bringing divergent sides toward resolution.

The CPC has gone through some dysfunction. I have worked with the membership to move the committee members to participate in subcommittees to focus on improving the WNA through habitat work and supporting the connection to the Kalapuya people.

Job Experience

Current: Assistant Director of Outdoor Programs, UO
Past: City of Eugene, River House, Campbell and Hilyard Center

Community Service / Volunteer

Nearby Nature Board Member

Personal Experience

Developed the youth kayaking program that travels in the Whilamut Natural Area; Lead outings in the Whilamut Natural area; Co-Founder of Willamette River Festival (in the Whilamut Natural area); Lead Talking stones tours in Whilamut Natural Area

Personal Interest

As a professional in the Outdoor Recreation community, I am interested in the preservation and appropriate use of the Whilamut natural area. I have a great deal of experience with botany, ornithology, geology; I have taught field programs in natural history for years; I work regularly with Esther Stutzman, Marta Clifford, NASU, and other local native folks about programs in the Whilamut natural area.

Contribution

I believe in the mission of the Whilamut CPC. I have worked with this group for several years through the Willamette River Festival. We regularly use the Whilamut Natural area for the UO Outdoor Program. I want to be a strong advocate for preservation of this area, and to educate others about the importance of this area.

1 Have you been a frequent visitor to the Whilamut Natural Area? What do you most enjoy about the park?

Yes - We lead Friday floats on a regular basis in the Whilamut N.A.

I developed the Willamette River festival, which travels through this area.

The Whilamut N.A. has been an important place of respite, contemplation, and inspiration for me both professionally and in my private life.

With Nearby Nature we regularly lead youth in the Whilamut Natural area.

2 The Citizen Planning Committee (CPC) meets as a full committee on a quarterly basis and all members are expected to attend. There are additional opportunities for involvement which include subcommittees which focus on specific park issues and volunteer work parties in the park. Would you be able or willing to participate in these additional activities?

I have participated in Talking Stones clean -ups in the past. I have organized clean ups for the past 3 years along the bike path in the Whilamut N.A., and would like to continue this work, and build more connections between the UO Outdoor Program and the Whilamut CPC.

3 Describe your top three interest areas or issues regarding the Whilamut Natural Area of Alton Baker Park.

1. Supporting Indigenous exposure and 'un-erasure'

2. Preserving and educating others about the natural history and cultural history of the area

3. Sustainable recreation

4 The CPC works with the City of Eugene, Willamalane Park and Recreation District, and other organizations. What specific strengths and attributes can you contribute to the CPC?

I have worked in the exact area for over 20 years, and have a good deal of connections with the City Recreation and Parks teams.

I have taught Natural History for the past 30 years.

5 Please cite an example in which a wide range of opinions surfaced within a group to which you belonged, and your role in bringing divergent sides toward resolution.

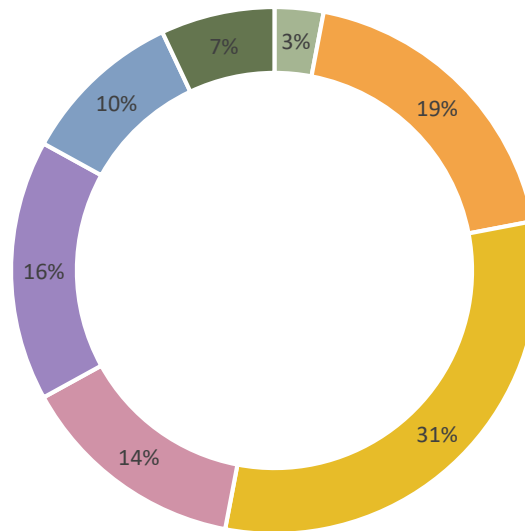

Willamette River Festival - to get this festival approved, I first had to meet with the Whilamut CPC and align the festival with the goals/purpose of the Whilamut Natrual Area.

The Festival core group had diverse opinions about what the event should involve. My role was keeping our vision of hilighting and supporting Kalapuya involvment, and connecting people to the river environment in this area.

2020 Boards and Commissions Demographic Overview

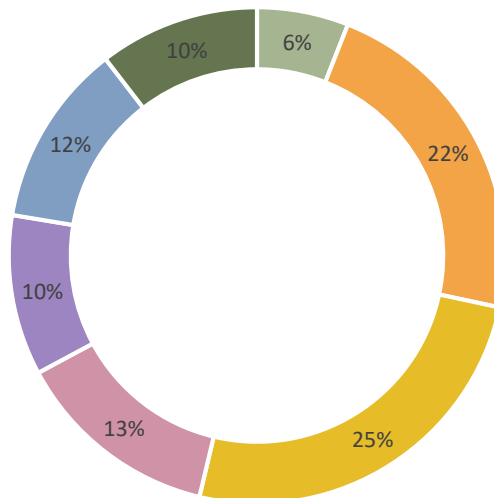

The following charts provide a demographic overview of the 2020 applicant pool compared to current membership and—where possible—the general population of Eugene. The data comparisons include age, gender, race and ethnicity, ward, housing type, and income. Data on applicants includes all applications received through March 10, 2020.

*With guidance from the Office of Human Rights and Neighborhood Involvement, the city's future population demographics are based on the current student population. Staff was able to obtain race and demographic data on all public schools, Catholic schools, and one more private school (Oak Hill School) totaling 23,428 students. There remain an estimated 650 private school students unaccounted for in this demographics data, though the addition of that data would not make an appreciable difference in the percent of students included in each category. The Oregon Department of Education does not keep continuous records on homeschooled children; the number of homeschool students is unknown.
