ISSUE STATEMENT

This work session will provide the City Council an overview of the *2025 Eugene State and Federal Policy* document (Attachment A) and the *2025 Eugene State Priorities* document (Attachment B). Council action is requested to provide the necessary direction for City staff and elected officials advocating to the State legislature, Governor and administrative agencies, and at the Federal Congressional and administrative level.

BACKGROUND

In October 2023, the City Council passed *Resolution 5387* (Attachment C) that adopted revised Intergovernmental Relations (IGR) Committee Operating Agreements. The IGR Operating Agreements provide direction on how the City of Eugene sets state and federal policy priorities and directs City resources on high priority items to be reviewed and approved by the Council's IGR Committee.

Current Intergovernmental Relations (IGR) Committee Members include Councilors Evans, Groves, and Yeh. The Mayor regularly attends IGR Committee meetings as a non-voting member. The IGR Committee meets regularly, generally monthly with the ability to hold special meetings during the legislative session. IGR Committee meetings are posted on the City's website and open to the public via Zoom. More information on the IGR Committee and testimony provided on priority bills can be found at the IGR Program webpage: <https://www.eugene-or.gov/368/Intergovernmental-Relations>

The last time the Priorities and Policies documents were reviewed and adopted by City Council was in November 2023, in preparation for the 2024 Oregon Legislative Session.

2025 Preparation

In preparation for the 2025 Oregon Assembly (January 13-June 30), staff from across the organization contributed to the updated *Eugene State and Federal Legislative Policy* document, which serves as the policy framework for the City's position on the expected types of bills that may surface during the upcoming short session. The update reflects a culmination of technical expertise in specific areas, staff experience implementing City Code and Rules, and as members of statewide and national professional associations. The *2025 Eugene State Priorities* document

outlines the proactive policy or funding items which the City will advocate for in advance of and during the 2025 Legislative Session.

On December 4, 2024 the IGR Committee approved both documents and sent these to City Council for review and discussion with the recommendation to approve for the 2025 Session.

Questions should not be used as an attempt to lengthen or expand the testimony of the individual. Councilors shall be expected to use restraint and be considerate of the meeting time of the Council when exercising this option. If the Mayor, Council president, and vice president are unavailable, the Council members present shall elect a temporary presiding officer.

1.11 Council Officers

Council officers shall be elected for one-year terms in the manner prescribed in the E.C. 2.009, at the first regular meeting in each calendar year.

2. PLACING ITEMS ON COUNCIL AGENDA**2.01 Contact the City Manager**

Contact the City Manager and explain the nature, scope and desired outcome of the item for the agenda or make the request during “Items from Mayor and City Council” at a City Council meeting. The City Manager and Mayor may then decide to place the item on a future agenda.

2.02 Council Poll

Alternatively, an item may be placed on the Council agenda by councilor request. A councilor may ask Council support staff for a work session or consideration of a resolution, and staff shall then poll all councilors, in writing, to ask if the item should be placed on the Council agenda. If, within two weeks of distribution of the poll, with an individualized reminder at five working days, four Councilors respond in the affirmative, the item shall be placed on a future Council agenda within a reasonable time.

Work session polls will generally include the work session topic and related Council goal or priority issues and questions to be addressed and intended outcomes.

2.03 Tentative Agenda on the Consent Calendar

At each regular meeting of the Council, the City Manager shall present the Tentative Agenda. This shall be placed on the Consent Calendar. If there are concerns about items on the Tentative Agenda, it may be removed at the request of any councilors from the Consent Calendar and discussed separately.

2.04 Tentative Agenda Provided Each Week

The Tentative Agenda shall be included in the weekly information packet provided to the Council.

2.05 Scheduling of Items on the Agenda

The City Manager and Mayor shall decide the date that items come before Council for work sessions and for regular meetings.

2.06 Routine Business Items on the City Council Agenda

The City Manager shall continue to place routine and standard items of Council business on the City Council agenda.

3. ORDER OF ITEMS ON A SPECIFIC DATE MEETING AGENDA**3.01 Pledge of Allegiance to the Flag**

The Eugene City Council shall begin its formal council meetings with a voluntary recitation of the Pledge of Allegiance at those council meetings closest to the following holidays: Memorial Day, Veterans Day, Flag Day, and the Fourth of July.

At the council meeting closest to the Fourth of July, the ceremony will also include readings from the Declaration of Independence and/or United States Constitution.

3.02 Ceremonial Matters

Exhibit A

At the first regular meeting of each month, the first agenda item shall be used to acknowledge special recognition or awards given to the City of Eugene or for the Mayor to read proclamations which serve to encourage and educate the community. Proclamations shall be made and placed on the agenda at the discretion of the Mayor. This item shall be called "Ceremonial Matters." Requests for recognition under Ceremonial Matters should be submitted in writing to the Mayor.

3.03 Committee Reports and Items from Mayor, City Council and City Manager

At regular meetings held on the second and fourth Mondays of each month, the first item on the agenda or following Ceremonial Matters and the Pledge of Allegiance, shall be "Committee Reports and Items of Interest from Mayor, City Council and City Manager." This portion of the agenda provides an opportunity for the Mayor, councilors and City Manager to raise issues, present ad hoc motions, introduce resolutions and report on committee activities and actions. The time allotted for "Items" is subject to change to accommodate emerging issues.

3.04 Consent Calendar

At regular City Council meetings, in order to expedite the Council's business, routine and standard items shall be placed on the Consent Calendar 1 for Council's consideration prior to the Public Forum. Annexations and similar land use action items shall be placed on Consent Calendar 2 for Council's consideration after the Public Forum.

Any item on either Consent Calendar may be removed for separate consideration by any member of the Council. Revisions or corrections to meetings minutes shall be considered first, prior to other items removed from the Consent Calendar. The remaining items on the Consent Calendar may then be considered for action by a single vote. The items pulled from the Consent Calendar shall be considered after the approval of the remainder of the Consent Calendar and before the next scheduled item on the agenda, unless requested for later consideration. In general, ordinances, because of charter requirements, should not to be placed on the Consent Calendar.

3.05 Public Hearings Given Priority

As a guideline, public hearings shall be placed on the specific meeting agenda before items only requiring action. Further, public hearings expected to draw a small number of speakers shall be placed before public hearings for which a larger number of speakers is expected.

3.06 Action Items

In general, action on ordinances and councilor-introduced resolutions or motions shall be placed on regular City Council meeting agendas and shall be scheduled after Public Forum, unless they are Priority Goal actions. This does not preclude taking action on items during work sessions or other portions of the meeting. Action items that are specifically related to City Council Goals and Priorities shall be scheduled for action prior to Consent Calendar 1. Examples include items such as Low Income Rental Housing Property Tax Exemptions (LIRHPTE) and other authorizations in support of low-income housing.

4. COUNCIL ACTION ON AGENDA ITEMS

Exhibit A

As a guideline, action on issues for which a public hearing has occurred shall not be taken at the same meeting at which the public hearing is held. In the case of an ordinance, the charter requires that an ordinance shall not be adopted by the Council unless it has been considered by the Council during at least two meetings. With the unanimous consent of the Council, the Council may consider and enact an ordinance at a single meeting if the Council does not amend the ordinance in a manner that modifies its substantive effect (Charter, Section 28 (3)).

5. POSTPONING AGENDA ITEMS

Any councilor may request that an item be postponed to another meeting if he/she is unable to attend the meeting at which the item has been scheduled. As a courtesy, councilors should submit in writing a request to postpone to the Mayor as early as possible. If the Mayor is unavailable, the request should be made to the City Manager or the Manager's designated staff member. A request to postpone may be made for either a work session item or a vote on an agenda item. The request to postpone shall be honored unless a majority of councilors present determines that the matter needs to be acted upon at that meeting.

6. COMMITTEES OF THE COUNCIL

6.01 Creation of Committees

While the City Code governs appointments to certain committees, the code grants broad general powers to the Mayor and City Council to create subcommittees or special ad hoc committees of the Council. The Mayor shall nominate and the Council shall appoint the members of any committee established by the Council unless a different procedure is specified at the time the committee is established. The charge to the committee shall be clearly stated at the time the committee is established, and the committee shall disband when its work is complete. Committees may be composed of councilors, interested citizens or both.

6.02 Standing Committees of the Council

There is one standing committee of the Council: Intergovernmental Relations Committee.

6.03 Standing Advisory Bodies to the Council

There are seven standing advisory bodies to the City Council. These are created in the Eugene Code and Charter and exist to provide advice on policy matters. They are: 1) Budget Committee; 2) Planning Commission; 3) Police Commission; 4) Human Rights Commission; 5) Sustainability Commission; 6) Civilian Review Board; and 7) Toxics Board.

7. CONDUCT AT MEETINGS

7.01 Roberts Rules of Order

Conduct at City Council meetings and committee meetings is governed by Robert's Rules of Order, Revised. The Council has the obligation to be clear and simple in its procedures and in its consideration of the questions coming before it. Council members shall avoid invoking the finer points of parliamentary rules which may serve only to obscure the issues.

7.02 Other Meeting Guidelines

The presiding officer shall be responsible for ensuring order and decorum are maintained. Behavior or actions that are unreasonably loud or disruptive shall be cause for removal from

Exhibit A

Council meetings. This includes engaging in violent or distracting action, making loud or disruptive noise or using similar language, and refusing to obey an order of the presiding officer.

Council members speak only for themselves and shall be open, direct and candid. They work to keep discussion moving and call for a “process check” if the discussion becomes bogged down. Time limits may be set on topics. When councilors speak to each other during public meetings, last names shall be used during regular meetings, but first names may be used during work sessions. The Mayor is, however, always referred to as “Mayor.”

During public meetings, councilors generally should not attempt to edit or rewrite prepared ordinances. Amendments to an ordinance may, however, be appropriate. Generally, councilors should give direction to staff to bring back amended ordinances for Council consideration.

If a member of the Council intends to make a motion at a meeting which is not reflected in the agenda item summary, every effort should be made to contact other members of the Council to inform them of the intent and the text of the motion at least 24 hours in advance of the meeting whenever possible or practicable. City Council support staff should be provided with the same information and may be asked to assist in the notification process.

The Mayor and Council will be limited to commenting only on the main motion prior to discussing any proposed amendments. If an amendment to the motion is made during the initial round on the main motion, subsequent remarks on the amendments will be postponed until all wishing to speak on the main motion have done so.

Comment times for the Mayor and councilors at City Council meetings or work sessions shall be generally limited to no more than three minutes. At the discretion of the Mayor or presiding officer, second and subsequent rounds may be limited further to ensure that everyone has an opportunity to be heard in the time allotted for the item.

7.03 Public Conduct

The rules of conduct for members of the public shall generally be the same as for the Council. City Code prohibits any person from bringing flags, signs, posters, and placards to a City Council meeting unless authorized by the presiding officer. The Eugene Code specifically permits arm bands, emblems, badges, and other articles worn on personal clothing, so long as such items do not extend from the body in such a way as to cause injury to another.

8. COUNCILOR REQUEST FOR STAFF ASSISTANCE

8.01 Two-Hour Rule

Initiatives requiring more than two hours of staff time must be approved by the Council. Requests that involve less than two hours staff time or resources should be directed to the City Manager.

8.02 Major Request

A councilor who desires major policy, ordinance research, or other staff assistance should first raise the issue at a City Council work session. The Council should decide whether to proceed with the issue or ordinance before staff time is spent.

8.03 Tracking Council Requests

Except for routine inquiries, the City Manager shall respond to councilors' requests for information or assistance. The Manager shall assign these requests to appropriate City staff and track progress on the assignments. This process eliminates the possibilities of staff members duplicating each other's efforts or a request being overlooked.

9. REPRESENTING CITY POSITIONS AND PERSONAL POSITIONS

9.01 Written Communications from City Councilors and Mayor

In written communication with other officials or groups and in letters for publication, such as "to the editor," the Mayor and councilors should be careful to decide whether to speak only for themselves or for the Council. In speaking for the Council, when there is a position which the writer wishes to reinforce or explain, it is useful to circulate a copy to the Council for comment before the letter is mailed. Letters to other elected officials or agencies on City issues shall be discussed with the appropriate staff so that the City lobby effort can be coordinated.

When writing as an individual, a councilor or the Mayor is free to take any position he/she feels is appropriate. When it is a point of view different from a Council position, this fact should be included in the letter. Use of City stationery and choice of pronouns shall be left to the discretion of the councilor or the Mayor.

The governing principle is to advise the Council or staff when expressing a City position, and to make differences clear when speaking as an individual.

9.02 State/Federal Lobbying

The effectiveness of City lobbying in Salem or in Washington, D.C. depends on the clarity of the City's voice. When councilors or the Mayor represent the City in a lobbying situation, it is appropriate that the councilors or the Mayor avoid expressions of personal dissent from an adopted Council policy. This policy is stated in Resolution No. 4139, Council Policy on Testimony and Funding Applications.

A councilor or the Mayor in disagreement with an adopted policy should not be deprived of the right to express such views to the appropriate officials at another time and another place. However, the councilor or the Mayor should feel bound to advise those to whom such disagreement is expressed that it is an individual view and that the Council has taken a different position.

9.03 Attending Conferences, Other Meetings

Councilors and the Mayor are encouraged to attend conferences and training sessions which would enhance their skills and knowledge. Any councilor or the Mayor may attend any meeting at which the Council is represented, but only the formally appointed official City Council representative or designated alternate, has the right to vote on matters being considered by the organization or group holding the meeting or conference. Individual councilors or the Mayor may state he or she is representing the City Council if he or she has been formally directed by the City Council to do so.

For local intergovernmental bodies or advisory groups to which an official Eugene City Council representative has been appointed, the representative is to serve as an "instructed

Exhibit A

delegate,” that is, to represent pertinent adopted City and City Council policy. If possible, the Mayor or councilors should inform the other members of the City Council of the matters being considered by intergovernmental bodies, and to the greatest extent possible, seek direction from the City Council on issues directly pertaining to the City of Eugene and adopted City policy. The representative may express his or her own opinion, provided it is identified as such, but when voting or considering matters with policy implications or budgetary considerations, the representative must follow adopted City or City Council policy and direction.

Participating in state and national groups such as the League of Oregon Cities and the National League of Cities presents the opportunity to enhance skills and knowledge and is an important avenue for the Mayor and councilors to advocate for the members of the community and the city itself. If the Mayor or councilors attend meetings of these organizations, an official voting delegate should be selected by the City Council. This voting delegate, to the greatest extent possible, informs the Mayor and City Council of issues or matters on which the voting delegate may be asked to vote. If there is existing City or Council policy, the voting delegate will vote in accordance with that policy. When providing a report to the council (see Section 10.06), votes of the delegate should be included in that report.

If the Mayor or individual councilor serves on a committee of a state or national advisory committee and has been selected in an “at large” role, that is, not a specific seat or position for a City of Eugene elected official, that person should state the adopted City or Council policies. However, that person is not bound by the adopted policy and can represent his or her own position, provided that the person makes such a disclaimer.

10. COUNCILOR EXPENSES

10.01 General Guidelines for Reimbursed Expenses

Under the provisions of the City Charter, the City may pay a councilor or the Mayor expenses that are directly related to City business. It is each councilor’s and the Mayor’s responsibility to determine if expenses are actually City-related. If there are questions about the propriety of such expenditures, the Manager shall first review the issue with the councilor. If the City Manager and the councilor cannot resolve the issue, the Manager shall discuss the matter with the Mayor. Receipts should be secured for any expenses and should accompany City Council expense report forms to record mileage and other expenses. The forms shall be available from the City Manager's Office.

Activities that support or oppose a political campaign shall not be reimbursable.

10.02 Out-of-Town Expenses

Out-of-town expenses include those incurred while attending City-related conventions, conferences, training seminars, or meetings. Expenses that are paid by the City include fees for seminars or conferences; transportation to, from, and at the destination; and lodging, meals, and incidental expenses that are necessary to conduct City business.

10.03 Local Expenses

Local expenses include those incurred while representing the Council on a committee,

Exhibit A

attending meetings, attending local seminars or conferences, attending local special events, or meeting with groups or individuals to discuss City matters. Expenses that are paid by the City are detailed in Resolution No. 4375 and include meals, conference registration, transportation and necessary incidental expenses, and up to two community group memberships, not to exceed \$100 total. The reimbursement for bicycle mileage using alternative forms of transportation, including walking and biking and excluding buses, as permitted in Resolution No. 4375, shall be \$.25.8 per mile as of July 1, 2020, and shall be adjusted each year at the same rate of increase as that of automobile reimbursement. Special materials such as books or directories may also be eligible for reimbursement.

If receipts are not available, a written description of expenses signed by the Councilor must be submitted along with the Council Expense Report Form. Forms shall be available from the City Manager's Office.

10.04 Spouse/Partner/Guest Expenses

The City shall reimburse councilors or the Mayor for spouse/partner/guest expenses at local events when the councilors or the Mayor and a spouse/partner/guest are jointly invited and the councilors are serving in their official capacity, such as a recognition dinner. The City does not otherwise reimburse councilors or the Mayor for expenses incurred by their spouse/partner/guest. If councilors or the Mayor wish to have their spouse/partner/guest accompany them while attending out-of-town events, the City may make reservations and have travel and lodging expenses billed directly to the City. Councilors or the Mayor must then reimburse the City for their spouse/partner/guest travel and lodging expenses. Reimbursement should be made as soon as possible so that the trip reconciliation process can be completed.

10.05 Petty Cash

Expenses under \$50 can be reimbursed out of the petty cash fund in the City Manager's Office.

10.06 Travel Guidelines

Prior notification of out-of-town travel shall be given to staff responsible for travel arrangements in the City Manager's Office whenever possible. Registration and travel arrangements should be made well in advance so that the City can take advantage of reduced fares and early registration fees. Staff shall assist councilors in making transportation and lodging arrangements and arrange to have expenses billed directly to the City; contractors shall be chosen by staff, and not by councilors.

While at a conference, councilors or the Mayor shall be expected to attend conference sessions and, within 30 days, issue a written report to share the information and perspectives with the entire City Council. If more than one councilor attends, a consolidated report may be written.

As a general guideline, each councilor is allowed two out-of-state conference trips per fiscal year. If a councilor wishes to make additional trips, the request should be brought to attention of the full Council and should be endorsed by a majority of the Council. This guideline is intended to cover trips made at the discretion of the individual councilor; it is

not intended to be applied to trips related to service on national or regional committee, such as a committee of the National League of Cities.

10.07 Overseas Travel

If the Mayor or members of the Council wish to attend a conference or make a Council business-related trip to a destination overseas, this request shall be made in writing well in advance and shall be placed on the Consent Calendar for approval by the Council.

11. ETHICS

11.01 Reporting Requirements in ORS

In accordance with ORS 244.050, the Mayor and all councilors holding office on April 15 shall be required to file an Annual Verified Statement of Economic Interest with the Oregon Government Standards and Practices Commission on or before that date. The report must be filed on the form prescribed by ORS 244.060. Each year the form shall be sent directly to the elected official by the Commission and should be returned directly to the Commission in Salem. Failure to submit the form by the April 15 deadline may result in the imposition of a civil penalty and/or removal from office.

11.02 Local Code of Ethics

The Charter requires that a code of ethics be enacted. This local code, found in the Eugene Code, places additional conflicts of interest requirements upon elected officials and creates a local process for filing complaints.

12. MEETING AND WORK SESSION SEATING ASSIGNMENTS

The Council shall be assigned seats in January, following the election of the Council president and vice president. The Mayor is always seated at the center position with the Council president seated at the Mayor's right and the Council vice president seated at the Mayor's left.

The remaining councilors shall be assigned seats in alphabetical order by last name. When the Council returns after each Council break, each person moves one seat toward the outside and to the opposite side of the table or dais; those in the outermost seats move to the innermost seats on the opposite side. This system allows councilors the opportunity to regularly change seats throughout a four-year term. Below is a detailed listing of the seating sequence.

**CITY COUNCIL COMMITTEE ON INTERGOVERNMENTAL RELATIONS
OPERATING AGREEMENTS
ADOPTED BY THE CITY COUNCIL ON OCTOBER 23, 2023**

1. Purpose of Council Committee on Intergovernmental Relations

The Council Committee on Intergovernmental Relations (IGR Committee) exists to make recommendations to the City Council on State and Federal legislative issues. At this time, it is the only standing committee of the City Council.

2. Membership

The IGR Committee consists of three City Council members.

The three IGR Committee Council members are appointed annually by the Mayor in the normal course of appointments to various boards and commissions on which City of Eugene elected officials serve. The Mayor will appoint members that represent the City Council's political and ideological diversity.

The Mayor serves as an ex-officio member of the IGR committee.

3. Committee Chair

The IGR Committee shall elect a chair of the committee at the first regularly scheduled meeting after the Mayor has appointed the members to the IGR Committee.

4. Conducting the Business of Meeting

IGR Committee meetings are governed by Roberts Rules of Order, Revised. Like the City Council, the IGR Committee has the obligation to be clear and simple in its procedures and in its consideration of the questions coming before it.

5. Meetings

The IGR Committee meets as needed and generally meets more frequently when the Oregon Legislature is in session. Meetings of the IGR Committee are subject to the requirements of Oregon Public Meetings Law, ORS 192.620. The meetings shall be held within the jurisdictional boundaries of the City.

No IGR Committee meeting shall be held at any place where discrimination on the basis of an individual's race, religion, color, sex, national origin, ethnicity, marital status, familial status, age, sexual orientation, source of income or disability, is practiced.

Advance notice of at least 24 hours shall be provided for all meetings. Notice shall include written notice to all news media that requested notice.

6. Quorum

Two members of the IGR Committee constitute a quorum for the transaction of Committee business. Other members of the City Council may attend meetings of the IGR Committee, but shall have no authority or status to vote on matters considered by the IGR Committee during that meeting.

Unanimous votes of the IGR Committee require 3 votes, not 2 votes, should an IGR Committee member be absent.

An IGR Committee member may designate the Mayor to serve as an alternate in the member's absence.

7. Minutes

Written minutes shall be taken for all IGR Committee meetings in accordance with the Oregon Attorney General's Public Records and Meetings Manual. Minutes must give a true reflection of the matters discussed but need not be a full transcript, verbatim or recording.

8. Process for Sessions of the Oregon Legislature

The Oregon State Legislature convenes annually in January in the state capitol of Salem. In odd years, sessions may last 160 days, referred to as "long session." During the "long session" the legislature approves a two-year state budget for the next biennium. In even years, a "short session" is held. A short session can last a maximum of 35 days. Preparation for the Long Session is begun by IGR staff who meet with the members of the IGR Committee and other City departmental staff to outline legislative policies and concepts for the upcoming session based upon City Council goals, priorities, community needs and organizational issues. These concepts, after being vetted by staff and the IGR Committee, are then submitted to the full City Council for review and approval. Once the concepts are approved, they become the basis for the Oregon Legislative Priorities document and the Legislative Policies document that serves as the cornerstone for position and lobbying efforts on bills during the session.

9. Process for Introducing Legislation

The City may wish to introduce legislative concepts on its behalf to the legislature. The IGR Committee meets and reviews all proposals for legislation prior to submittal to the Legislature.

Any City staff or elected official interested in introducing legislation prepares a written overview of the purpose of the legislative concept and draft language for review by the IGR Committee. The IGR Committee then reviews the proposal, taking action during a regular meeting to revise, adopt, or take no action on the proposal. Once the IGR Committee has voted on proposed legislative concepts, this recommendation moves forward to the full City Council for review and action.

After the proposed legislative concepts have been reviewed and approved by the full City Council, legislative concepts that have been approved are presented to the Legislature or Eugene Area Legislators for drafting.

10. Process for Review and Prioritization of Legislation

In 2013, the City Council adopted Resolution 5081 (Attachment A), which guides the IGR Committee Legislative Review process and Voting process.

Review by City staff:

- Once the bills are introduced, they are assigned by an IGR staff person to the appropriate Legislative Coordinators (LCs) for review.

Exhibit A

- Legislative Coordinators (LCs) in the appropriate City department analyze priority introduced bills that may affect the City. LC staff is determined by each Department.
- LC staff turnaround for review and analysis of a bill is expected to be within 10 working days of the assignment of a bill unless the movement of a bill warrants a faster turn-around. In those cases, IGR staff will contact the LC and arrange for a faster review.
- If a bill addresses one or more of the policies presented in the Oregon Priorities or Legislative Policies documents for that session, the particular policy is noted in the LC staff's analysis of the bill.
- LC staff will relay both the pros and cons of a bill in their comments as well as any amendments that would make the bill more favorable.
- In collaboration with the IGR Manager, the LC will assign each bill a priority and a recommendation.

Position Recommendations:

Support: From the City's perspective, we are in favor of the bill and the impacts. Legislative Coordinators should note why we are in favor of the bill and note any amendments that would make the bill better.

Oppose: From the City's perspective, we are opposed to the bill and the impacts. Legislative Coordinators should note why we are opposed and make any recommendations that would make the bill better, if applicable.

Priority Recommendations:

- **High Priority Bills:** We will be highly selective in identifying priority bills to be forwarded to the Intergovernmental Relations Committee (IGR). For a bill to be recommended as a high priority bill to be actively lobbied, either in support or in opposition, the bill would have a significant impact on City operations, services, or finances in such ways to fundamentally impact department administration, organization, personnel, allocation of City resources, or local decision-making, either negatively or positively. The issues addressed by the bill are of significant interest to the City even if they do not directly impact operations, services, or finances of the City. Examples of high priority bills could include Telecom/local pre-emption efforts, PERS reform, Public Safety, and transportation funding.
- In addition to be bills identified as high priority, other bills and legislative issues may be forwarded to the IGR Committee to enable staff to provide supportive or opposing written or oral testimony. Examples of issues that may require supportive testimony (as opposed to active lobbying) include support for the Oregon Cultural Trust, support for one of our partner agencies lobbying efforts (University of Oregon, City of Springfield, EWEB), etc.

11. Voting on bills

The IGR Committee votes on all bill priorities and recommendations.

Approved IGR Committee minutes, including votes on bill positions, will be shared with the full City Council by including them with the weekly City Council materials. Any bill that has been reviewed by the IGR Committee may be requested for discussion by the full City Council or by the Mayor.

If a position the IGR Committee has taken on a bill is not unanimous, the position on that bill will be Neutral until the full City Council weighs in and directs a position. If possible, the bill will then be placed on the next available City Council agenda.

12. Communicating with City Council

All Councilors are encouraged to bring items of interest for follow up by the IGR Committee to the IGR Members, the IGR Manager, City Manager, or Mayor at any time.

The IGR Chair will provide regular updates to the Council during the 'Committee Updates and Items of Interest' section of the Regular City Council meetings.

- Outside of Legislative Session, one update per month, during Items of Interest, by the IGR Chair at the first Monday meeting. This will share with Council the outcomes from the monthly IGR Committee Meeting. The IGR Manager will send this update to the Chair prior to the meeting.
- During the Legislative Session, two updates per month to the Council, during Items of Interest, by the Chair, including Committee Meeting outcomes and Priority Bill Update. The IGR Manager will send this update to the Chair prior to the meeting.

During the Legislative Session, the IGR Manager will provide weekly Priority Bill Update Email to the full Council. During Legislative Session, the weekly Priority Bill Update Email will be included within the weekly Council packets.

13. Process for Federal Lobbying Efforts

The IGR Committee and IGR staff address Federal lobbying priorities in concert with a number of the City's local governmental partners.

The Federal priorities begin with a review of opportunities for funding in the next Federal budget and goals that are specific to Eugene or the area. The IGR Committee meets and reviews the list of potential priority projects. Potential projects should be those projects which have already gone through the proper authorization channels and are "shovel ready" projects. Once the IGR Committee reviews the list of potential projects, the Committee develops a list of project goals that are considered to be achievable.

After the proposed goals have been vetted by staff, United Front partners, and other community partners, and the IGR Committee, the priorities list is then presented to the full City Council for review and approval.

The final list becomes part of the "United Front" agenda which is presented to the area's congressional representatives, executive department staff, and other potential funding sources in Washington, D.C. The attendees on the lobbying trips typically include the Mayor, chair of the IGR Committee, and appropriate City staff.

Exhibit A

14. Grants and Funding Applications

Under the direction of the City Manager, the IGR Manager will coordinate with departmental staff and Executive Leadership to ensure all City applications for grants or funding are in accordance with adopted City Policy and have existing budget authorization for any match requirements (either in-kind resources or direct funding). Coordination will include, but not be limited to, ensuring city staff are working collaboratively related to funding sources, support communications related to successful funding requests, and building relationships with potential funding partners.

15. Resolution 4908

On April 18, 2007, the City Council adopted Resolution No. 4908, "A Resolution Establishing Policy Governing City Testimony and Funding Requests, and Repealing Resolution No. 4139". This speaks to the issue of testimony before legislative bodies, funding requests and the role of the Council in setting legislative policy. This Resolution is incorporated into this document as Attachment B.

16. City Council Operating Agreements

The operating agreements of the IGR Committee are to be incorporated into the Operating Agreements of the Eugene City Council. As the IGR Committee is a subset of the City Council, any and all process and operating agreements supersede this document. All process and operating agreements of the City Council, by extension and when relevant apply to the IGR Committee.

Attachment A: City of Eugene Resolution 5081.

Attachment B: City of Eugene Resolution 4908.

RESOLUTION NO. 5081

**A RESOLUTION CONCERNING THE 2013 OREGON LEGISLATURE
AND THE CITY COUNCIL COMMITTEE ON INTERGOVERNMENTAL
RELATIONS OPERATING AGREEMENTS ADOPTED BY
RESOLUTION NO. 5043.**

The City Council of the City of Eugene finds that:

A. Section 2.007 of the Eugene Code, 1971, contains provisions regarding Council meetings and the establishment of Council groundrules.

B. The Eugene City Council Operating Agreements (referred to as groundrules in the Eugene Code, 1971) were adopted by Resolution No. 4588 on April 12, 1999, and have subsequently been amended, most recently by Resolution No. 5043 on October 11, 2011.

C. Included in the Operating Agreements is the document titled "City Council Committee on Intergovernmental Relations Operating Agreements" which contains the process for the City's participation in sessions of the Oregon Legislature. The City intends to pilot an alternate process for the 2013 Oregon Legislative Session as set forth in Exhibit A to this Resolution, and Resolution No. 5043 should be temporarily amended to enable the City to try the pilot process.

NOW, THEREFORE,

**BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF EUGENE, a
Municipal Corporation of the State of Oregon, as follows:**

Section 1. Based on the above findings, the process for review, prioritization and lobbying of legislation for the 2013 Oregon Legislative Session shall be as described in Exhibit A to this Resolution, rather than the process set forth in Resolution No. 5043.

Section 2. A copy of this Resolution shall be appended to Resolution No. 5043.

Section 3. This Resolution shall become effective immediately upon its adoption.

The foregoing Resolution adopted the 11th day of February, 2013.

City Recorder

Exhibit A**PROCESS FOR REVIEW AND PRIORITIZATION OF LEGISLATION
FOR THE 2013 LEGISLATIVE SESSION**

The 2013 session will start on February 4, 2013. The Legislature convenes annually in February at the State Capitol in Salem. Sessions may not exceed 160 days in odd-numbered years and 35 days in even-numbered years. Five-day extensions are allowed by a two-thirds vote in each house. In odd-numbered years, the Legislative Assembly convenes on the second Monday in January, to swear-in newly elected officials, elect legislative leaders, adopt rules, organize and appoint committees, and begin introducing bills.

REVIEW OF LEGISLATION BY CITY STAFF LEGISLATIVE COORDINATORS

In past years, bills have been assigned by the IGR staff to appropriate staff throughout the city. This has resulted in the generation of a tremendous amount of work, both for staff, as well as for the IGR committee, often with limited or no tangible benefit. Very few bills that we take positions on merit targeted lobbying efforts on behalf of the city of Eugene. This year, we will be approaching the legislative session in a much more targeted way, with the goal of being more efficient, and effective in our lobbying efforts.

The most obvious change in the process will be that IGR staff will no longer routinely assign bills to legislative coordinators for comments and positions. Instead, we will rely primarily on departments to identify significant legislative issues/bills that merit taking a position on and actively lobbying. Department/division staff will be asked to rely on professional affiliations and jurisdictional counterparts across the state to stay in touch with legislative issues arising in their area of expertise. In addition to bills identified by departments, bills will be identified in a two other primary ways, through the League of Oregon Cities, and through paid lobbyists. The League of Oregon Cities has recently implemented a new bill tracking software system, which will be a significant new resource this session. Additionally, the city council or city manager may identify issues that come to their attention for IGR staff. It is strongly believed that all significant legislation of potential impact to the city will be identified through this approach.

Once an issue/bill is identified by department staff, legislative coordinators will assess consistency of the issue with adopted City policies and past legislative positions, and will provide comments and a recommended position and priority for referral to the IGR committee. Bills/legislative issues brought to IGR staff should be limited to those determined to be high priority; that is, the bill would have significant impact on City operations, services, or finances in such ways as to fundamentally impact department administration, organization, personnel, allocation of City resources, or local decision-making, either negatively or positively. Examples of legislative issues that have already been identified for this session include PERS reform, telecom, and public safety. Legislation related to these issue areas could have significant

financial or operational impact on the City – therefore we plan to actively lobby the city's interests in these areas.

LEGISLATIVE ADVOCACY

As described in the previous section, advocacy efforts will be narrowed and targeted to focus on a very few, high priority issues of potential impact to the City. In the past, this was done on the basis of the priority assignment and recommendation system. Because only bills of potential impact will be referred to the CELEG system, the priority assignment system will be modified. Staff will be asked to provide a "support," or "oppose," recommendation for all bills to be reviewed on which we want to take a position. In rare cases, there may be a need to "monitor" a bill. In that case, specific information will be provided to explain the merits of tracking such a bill.

Position Recommendations:

Support: From the City's perspective, we are in favor of the bill and the impacts. Legislative Coordinators should note why we are in favor of the bill and note any amendments that would make the bill better.

Oppose: From the City's perspective, we are opposed to the bill and the impacts. Legislative Coordinators should note why we are opposed and make any recommendations that would make the bill better, if applicable.

Priority Recommendations:

- **High Priority Bills:** We will be highly selective in identifying priority bills to be forwarded to the Intergovernmental Relations Committee (IGR). For a bill to be recommended as a high priority bill to be actively lobbied, either in support or in opposition, the bill would have a significant impact on City operations, services, or finances in such ways as to fundamentally impact department administration, organization, personnel, allocation of City resources, or local decision-making, either negatively or positively. The issues addressed by the bill are of significant interest to the City even if they do not directly impact the operations, services, or finances of the City. Examples of high priority bills could include Telecom/local pre-emption efforts, PERS reform, Public Safety, and transportation funding.
- In addition to bills identified as high priority, other bills and legislative issues may be forwarded to the IGR committee to enable staff to provide supportive or opposing written or oral testimony. Examples of issues that may require supporting testimony (as opposed to active lobbying) include support for the Oregon Cultural Trust, support for

one of our partner agencies lobbying efforts (University of Oregon, City of Springfield, EWEB), etc.

Voting on bills:

The IGR Committee votes on all bill priorities and recommendations.

All unanimous positions are presented on the full City Council's agenda for review and approval. The minutes of the IGR Committee are ratified by the City Council. Any bill that has been reviewed by the IGR Committee may be pulled for discussion at the request of any Councilor or by the Mayor.

If a position the IGR Committee has taken on a bill is not unanimous, the position on that bill will be Neutral until the full City Council weighs in and directs a position. If possible, the bill will then be placed on the next available City Council agenda. If time makes placing the bill on the City council agenda impossible, City council members will be emailed with the details of the bill and asked for their direction.
