Town Square Block Party- July 18

Block Party

On July 18 in the West Park Block, over 500 community members gathered at the Town Square Block Party to review the 3 design concepts and share their ideas.

It was an incredible night for our community, including performances, local food and several potential futures for Eugene's downtown.

September Shindig- September 12

September Shindig

On September 12 in the East Park Block, the community came together to study the long-awaited final concept plan and design for our future Town Square!

We danced, we painted, we shared our aspirations, and we celebrated a huge milestone!
