Transportation SDCs Help Implement Community's Vision

2

Transportation SDC Update

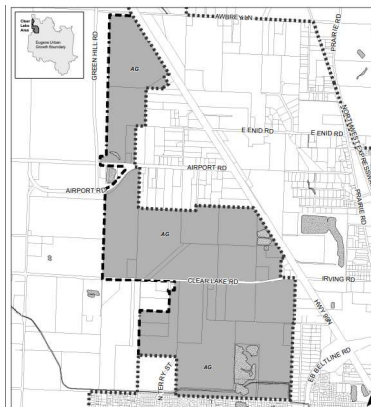

Transportation SDC Project Plan Implementation

- Since the Transportation SDC Project Plan was adopted in 2018, approximately \$6.6 million in TSDCs has been expended on constructing projects in the plan. Over 15 projects in the plan have been completed.
- An additional amount of around \$6.5 million in TSDCs has been programmed for 7 transportation projects in the CIP.
