

Board of Commissioners meetings are hybrid meetings. The public is encouraged to attend the meeting in person in Harris Hall or participate virtually. **To participate in the virtual public comment portion of the meeting, please click [here](#) to register as a virtual audience participant for the September 19th meeting.** As an audience participant, your phone and webcam will be automatically muted, however, the board will be providing the opportunity for speakers during the public comment portion of the morning meeting. During the public comment portion of the meeting, virtual participants will be asked to raise their “virtual” hand to be recognized to speak. When their name is called, their microphone will be unmuted and they will be given a specified amount of time for their public comment.
